

Delaware Valley Regional Planning Commission (DVRPC)

Major Project Status Report State Transportation Improvement Program (STIP) for Pennsylvania (FY2015 – 2018)

Federal regulations require that the STIP list major projects from the previous STIP and identify any significant delays in the planned implementation. The following is a list of major projects from the FY2013-16 STIP and their statuses as of July 3, 2014.

| TRANSIT | | | |
|---------|--------|--|---|
| MPMS# | County | Project Name | Project Status |
| 59966 | SEPTA | Capital Asset Lease Program | This is an active and annual program. |
| 59973 | SEPTA | Utility Fleet Renewal Program - Non Revenue Vehicles | This is an active and annual program. |
| 60255 | SEPTA | Regional Rail Signal Modernization Program | This is an active and ongoing program. SEPTA anticipates completing the implementation of a Positive Train Control (PTC) signal system by December 31, 2015 in accordance with the federal Rail Safety Improvement Act of 2008. |
| 60275 | SEPTA | Debt Service | This is an active and annual program. |
| 60317 | SEPTA | Federal Preventive Maintenance | This is an active and annual program. |
| 60335 | SEPTA | City Hall Station / 15th Street Station Rehabilitation | This is an active and ongoing project. The City Hall Station / 15th Street Station Rehabilitation project will occur in phases. The Dilworth Plaza Early Action Phase is currently in construction. |
| 60557 | SEPTA | System Improvements | Numerous SEPTA projects fall into the "System Improvement" category. To clarify project types this MPMS is no longer being used. Ongoing projects formerly listed under MPMS #77180 State of Good Repair are included in new MPMS #s 102565, 102567, 102569, 102571 and 102573. |
| 60574 | SEPTA | Paoli Transportation Center | This is an active and ongoing project. The Paoli Transportation Center project is currently in design. |
| 60582 | SEPTA | Vehicle Overhaul Program | This is an active and annual program. |
| 60599 | SEPTA | Paratransit Vehicle Purchase | This is an active and annual program. |

| TRANSIT (Continued) | | | |
|---------------------|--------|--|---|
| MPMS# | Agency | Project Name | Project Status |
| 60611 | SEPTA | Fare Collection System/New Payment Technologies | This is an active and ongoing project. A contract was awarded to ACS Transport Solutions, Inc. (now a subsidiary of Xerox Corporation) in November 2011. The New Payment Technologies (NPT) system will be implemented in phases. Phase 1 of the project will include the complete design, deployment of the data network backbone of the rail transit system, and advance pilot testing of the NPT system. Phase 2 will include the installation of the system on Rail Transit, Trolley and Bus fleets. Phase 3 includes the Regional Rail, Parking Operations and Customized Community Transportation (CCT) segments. |
| 60629 | SEPTA | Job Access and Reverse Commute (JARC) and New Freedom | This program was repealed under MAP-21. |
| 60638 | SEPTA | Regional Rail Car, Locomotive, and Trolley Acquisition | This is an active and ongoing program. |
| 60651 | SEPTA | Substation Improvement Program | This is an active and ongoing program. |
| 60655 | SEPTA | Levittown Intermodal Facility Improvements (B) | This is an active and ongoing project. The Levittown Intermodal Facility project design is complete and bid documents are being prepared. |
| 73214 | SEPTA | Ardmore Transportation Center | This is an active and ongoing project. Ardmore Transportation Center project is in design. |
| 77180 | SEPTA | State of Good Repair | Numerous SEPTA projects fall into the "State of Good Repair" category. To clarify project types this MPMS is no longer being used. Ongoing projects formerly listed under MPMS #77180 State of Good Repair are included in new MPMS #s 102565, 102567, 102569, 102571 and 102573. |
| 87176 | SEPTA | 69th Street Intermodal Parking Garage | This is an active and ongoing project. The project was moved from MPMS #877176 to MPMS # 60540 Parking Improvements in the FY 2015 TIP. The 69th Street Intermodal Parking Garage project design has been completed and bid documents are being prepared. |
| 90497 | SEPTA | Infrastructure Safety and Renewal Program | This is an active and annual program. |
| 90512 | SEPTA | SEPTA Bus Purchase Program | This is an active and ongoing program. Under the current bus contract with Nova, Inc., SEPTA will take ownership of one hundred eighty-five (185) 60-Foot diesel-electric hybrid buses and ninety (90) 40-Foot diesel-electric hybrid buses by the end of calendar year 2015. |
| 95402 | SEPTA | Bridge Improvement Program | This is an active and ongoing program. |
| 98235 | SEPTA | West Trenton Line Separation Project | This is an active and ongoing project. The components of the West Trenton Line Separation project that are necessary to comply with the federal Rail Safety Improvement Act will be completed by December 31, 2015. |

TRANSIT (Continued)

| MPMS# | Agency/County | Project Name | Project Status |
|--------------|----------------------|----------------------------------|---|
| 90680 | Montgomery | Ardmore Transit Center Line Item | This is an active and ongoing project. The MPMS numbers for the Ardmore Transit project was consolidated under MPMS #73214 in the FY2015 TIP. |
| 87534 | PennDOT | Coatesville Train Station | Project is in design (working with developers). |

BUCKS COUNTY

| MPMS# | Project Name | Project Status |
|--------------|---|--|
| 13347 | I-95, PA Turnpike Interchange (TPK)- STAGE 1 | Project is active in final design and is acquiring ROW. |
| 50633 | PA 263, Old York Road Concrete Rehabilitation and Overlay | Project was let for construction on 11/07/2013. |
| 57619 | Route 313 Corridor Improvements | Project is coordinating with County on mitigation needed in a County owned park. Design is continuing. |
| 86923 | PA 309, Sellersville Bypass, Resurfacing (PM1) | Project is active in preliminary engineering phase. |
| 95439 | I-95, PA Turnpike Interchange (TPK)- Section D10 | Project was let for construction on 06/05/2014. |

CHESTER COUNTY

| MPMS# | Project Name | Project Status |
|--------------|---|--|
| 14515 | PA 100, Shoen Road to Gordon Drive (02L) | Project was let for construction on 12/19/2013. |
| 47979 | Paoli Transportation Center Road Improvements | SEPTA had been leading the study effort for the companion Paoli Transportation Center project (MPMS# 60574), until the recent Amtrak-Disability Rights Network of Pa settlement agreement was reached on March 27, 2014. Amtrak is now looking to complete an interim project that will improve accessibility at the existing station and interlocking improvements by September 2016. The PE phase of this project will commence once the development of Amtrak project has sufficiently been advanced. |
| 59434 | Schuylkill River Trail (Q20) | This project is currently active and in the pPhase. |
| 64498 | US 202, Exton Bypass to Route 29 (Section 330-Mainline) | Project was let for construction on 10/18/2012. |
| 95366 | US 202 over AMTRAK | Project is active in the final design phase; construction is pending the execution of an agreement with Amtrak. |

DELAWARE COUNTY

| MPMS# | Project Name | Project Status |
|--------------|--|--|
| 15251 | US 1, Baltimore Pike Interchange Improvements | Project is active in the preliminary engineering phase. |
| 15406 | PA 452, Market Street Bridge Over Amtrak/SEPTA Wilmington Newark Rail Line | Project is active in final design, right-of-way, and utility phases. |
| 69665 | South Creek Road Bridge Over Brandywine Creek | Project is currently active in Preliminary design. The Rehabilitation Feasibility Analysis report is under review with FHWA. Once we have concurrence for rehabilitation or replacement, then Section 106 consultation meetings will begin. The CEE approval is anticipated in early 2015. |
| 69815 | US 322, Environmental Mitigation (MIT) | Project letting is 10/9/14. |
| 69816 | US 322, US 1 to Featherbed Lane (Section 101) | Project is in final design, and permit submitted |
| 69817 | US 322, Featherbed Lane to I-95 (Section 102) | Project is in final design, and permit submitted |
| 88407 | I-95 Overhead Bridges | Project is active in final design. |

MONTGOMERY COUNTY

| MPMS# | Project Name | Project Status |
|--------------|--|---|
| 16703 | Old Betzwood Bridge Bicycle/Pedestrian Trail (C047) - Part 5 of River Crossing Complex | Project was let for construction on 12/05/2013. |
| 16705 | Chester Valley Trail Extension (C036) | This project is currently active and in the final design phase. |
| 57851 | Plank Road/Otts Road/Meyers Road/Seitz Road Intersection Improvements | Project is active in final design and is acquiring ROW. |
| 57865 | Edge Hill Road Reconstruction | Project is active in final design; Township's consultant has submitted ROW plans for acquisition. |
| 63486 | US 202, Johnson Highway to Township Line Road (61S) | Project is active in final design and right of way phases. |
| 63490 | US 202, Township Line Road to Morris Road (61N) | Project is active in final design and right of way phases. |
| 63491 | US 202, Morris Road to Swedesford Road (65S) | Project is active in final design and right of way phases. |
| 64796 | US 422/PA 363 Interchange Reconstruction (4TR) - Part 2 of River Crossing Complex | Project was let for construction on 07/11/2013. |
| 66986 | US 422, Schuylkill River Bridge Over Schuylkill River (M2A-Stowe)) | Project is active in final design (and in PS&E review). |

MONTGOMERY COUNTY (Continued)

| MPMS# | Project Name | Project Status |
|--------------|--|--|
| 70197 | US 422, (New) Expressway Bridge Over Schuylkill River (SRB) - Part 3 of River Crossing Complex | Project is currently in final design; ROW acquisition and final design utility coordination are underway, Project is estimated to let for construction in mid-2015 |
| 79864 | Lafayette Street, Barbados Street to Ford Street Widening (MGN) | FD, UTL and ROW phase is ongoing |
| 80021 | US 202, Markley Street Improvements (Section 510) | FD, UTL and R/W phase is ongoing |
| 80022 | US 202, Markley Street Improvements (Section 520) | Project was let for construction on 12/06/2012. |
| 83742 | Keim Street Bridge Over Schuylkill River | Alternatives Analysis is being completed. Preliminary engineering will begin in 2015. |
| 86924 | PA 422, Resurfacing (PM2) | BRPA Approved. PE is being finished. FD is to start in (3) months. |
| 87392 | Lafayette Street Extension (MGL) | Project is waiting for ROW and UTL clearance |
| 92839 | Ridge Pike/two RR Bridges | Project is a companion to MPMS 48175 and is active in final design. |

PHILADELPHIA COUNTY

| MPMS# | Project Name | Project Status |
|--------------|--|---|
| 17816 | Chestnut Street Bridges (4) at 30th Street | Project is active in the preliminary engineering phase |
| 17821 | I-95, Shackamaxon Street to Ann Street (GIR) - Design | Project is active in the final design phase |
| 46956 | North Delaware Avenue Extension | Project was let for construction on 11/07/2013. |
| 47811 | I-95: Orthodox Street to Levick Streetjohn heinz wildlife refuge (BSR) - Design(IMP) | Design parent for MPMS #s 79908, 79910 and 87784. |
| 47812 | I-95: Betsy Ross Interchange (BRI) - Design(IMP) | Design parent for MPMS 3s 79903, 79904 and 79905. |
| 47813 | I-95: Ann Street to Wheatsheaf Lane (AFC) | Project is currently in preliminary engineering. |
| 56768 | 41st Street Bridge Over Amtrak's Harrisburg Line (CB) | Project is completing design and is projected to be let in the Winter of 2014/2015. |
| 57276 | Montgomery Avenue Bridge over Amtrak at 30th Street (CB) | Project is in final design and will be possibly let in 2016. |
| 69828 | Market Street Bridges (2) Over Schuylkill River and CSX Railroad (MSB) | Project is active in preliminary engineering. |
| 69913 | Grays Ferry Avenue Bridge Over Schuylkill River | Project is in final design for letting late 2015. |

PHILADELPHIA COUNTY (Continued)

| MPMS# | Project Name | Project Status |
|--------------|---|--|
| 79685 | I-95: Cottman-Princeton Main Line and Ramps (CP2) (IMP) | Project was let for construction on 5/17/2012. |
| 79686 | I-95, Columbia Street to Ann Street (GR1) | Project was let for construction on 07/28/2011. |
| 79826 | I-95N: Columbia-Ann St N (GR3) | Project was let for construction on 10/31/13. |
| 79827 | I-95S: Columbia-Ann St N (GR4) | Project is active in the final design phase. |
| 79828 | I-95: Race - Shackamaxon (GR5) | Project is active in the preliminary engineering phase. |
| 79903 | I-95: Betsy Ross Bridge Ramps Construction (BR0) (IMP) | Project is in final design and is to be let in late 2014. |
| 79904 | I-95N: Betsy Ross Inter (BR2) | Project is beginning final design. |
| 79905 | I-95S: Betsy Ross Inter (BR3) | Project is beginning final design. |
| 79908 | I-95: North of Bridge Street Interchange Construction (BS1) (IMP) | Project is in final design, and right-of-way is being acquired. |
| 79910 | I-95S: Bridge St Inter (BS2) | Project is in final design, and right-of-way is being acquired. |
| 79911 | I-95: Allegheny Ave Interchange (AFI) | Project is currently in preliminary engineering. |
| 79912 | I-95: Allegheny Ave Inter (AF2) | Project is currently in preliminary engineering. |
| 80054 | Bridges Over Vine Street Expressway (I-676) (PAB) - Part 3 | Project is in final design and is to be let for construction in late December 2014. |
| 83640 | I-95: Shackamaxon Street to Columbia Avenue (GR2) (IMP) | Project was let for construction on 8/9/2012. |
| 83736 | Roosevelt Blvd over Wayne Junction (WAV) | PE is completed; Environmental Clearance on 5/14/13; FD started in July 2013; current activity for bridge design, detour route, community coordination for joint use area. |
| 88767 | Bridges Over Vine Street Expressway (I-676) (PAA) - Part 1 | Project is in final design and is to be let late 2014 with MPMS 80054. |
| 88768 | Bridges Over Vine Street Expressway (I-676) (PAC) - Part 2 | Project is now combined with MPMS #80054, which will be late in late 2014. |
