his year we will be honoring four programs and one individual who have significantly contributed to the unique character of the Delaware Valley. Each represents the best in his or her respective fields and stood out among a host of nominees for these awards.

We hope that you will take advantage of this opportunity to applaud our honorees' accomplishments, network with your peers at the evening's reception, and enjoy a delicious dinner as only the Four Seasons can offer.

We recognize that this year has been one of constraint. We hope that if you plan to attend one event this spring, you choose to make DVRPC's Celebration that one special night out.
