

Survey Results

May 20th, 2008

Survey Background

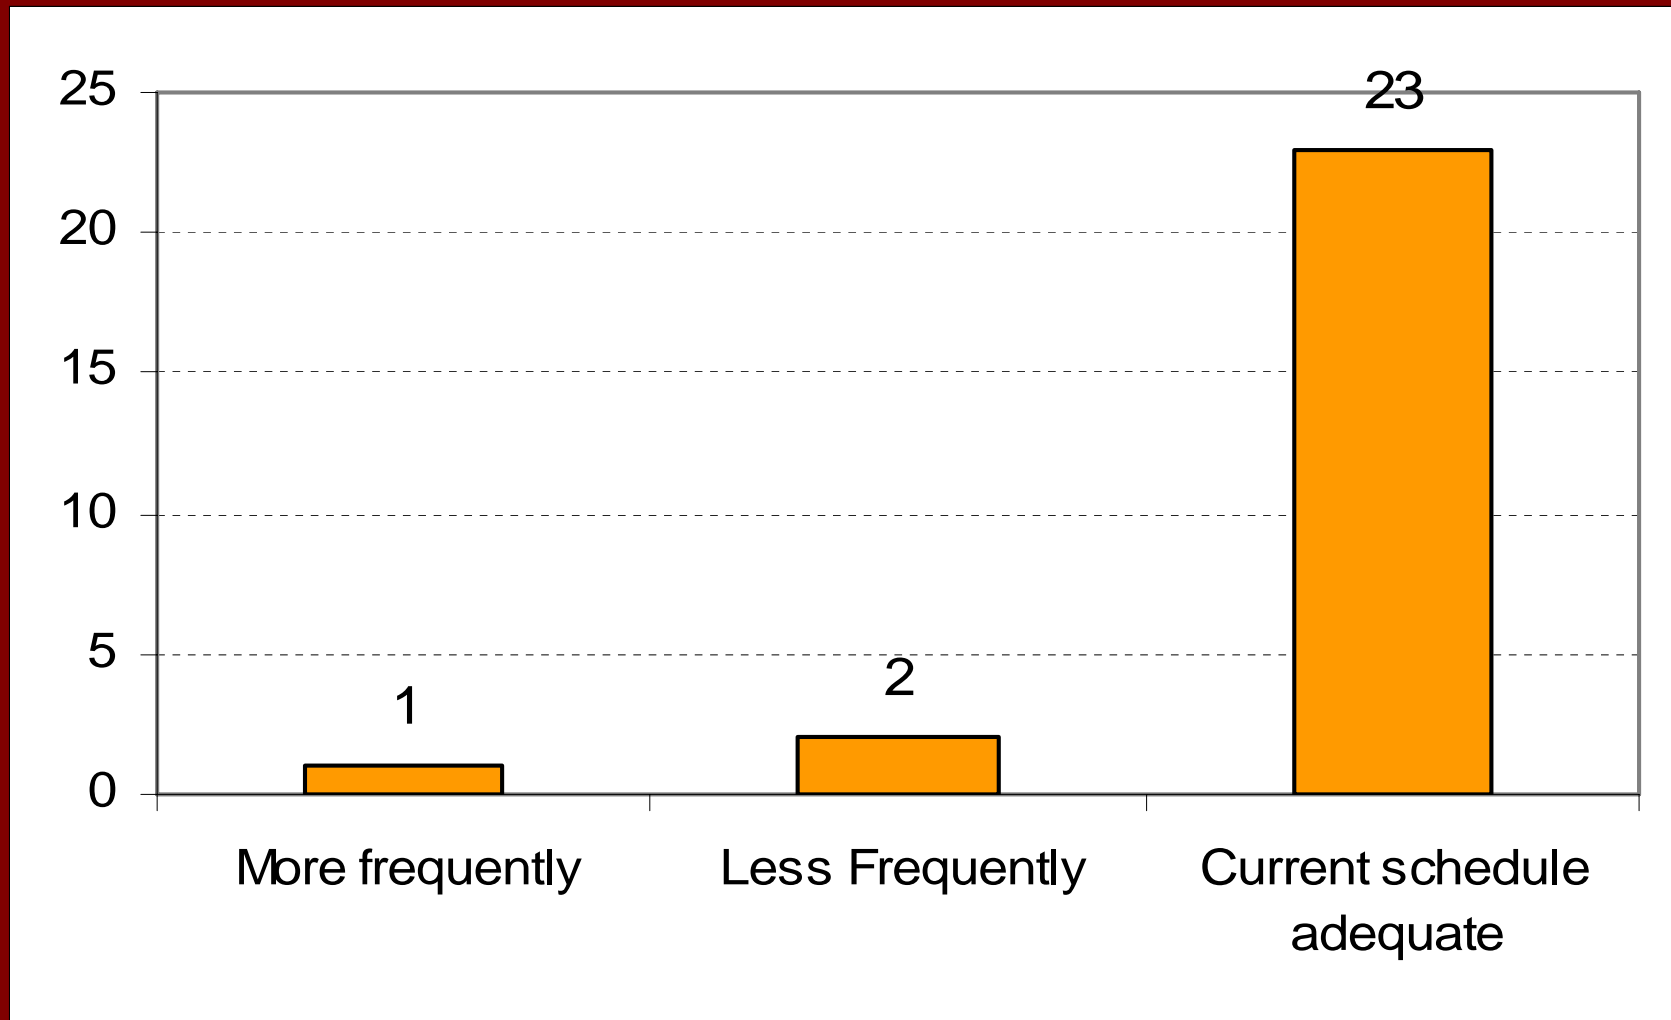

- **Purpose:**

- To solicit feedback from Task Force members to evaluate the current operation of the RSTF meetings and to gauge the benefits of RSTF activities

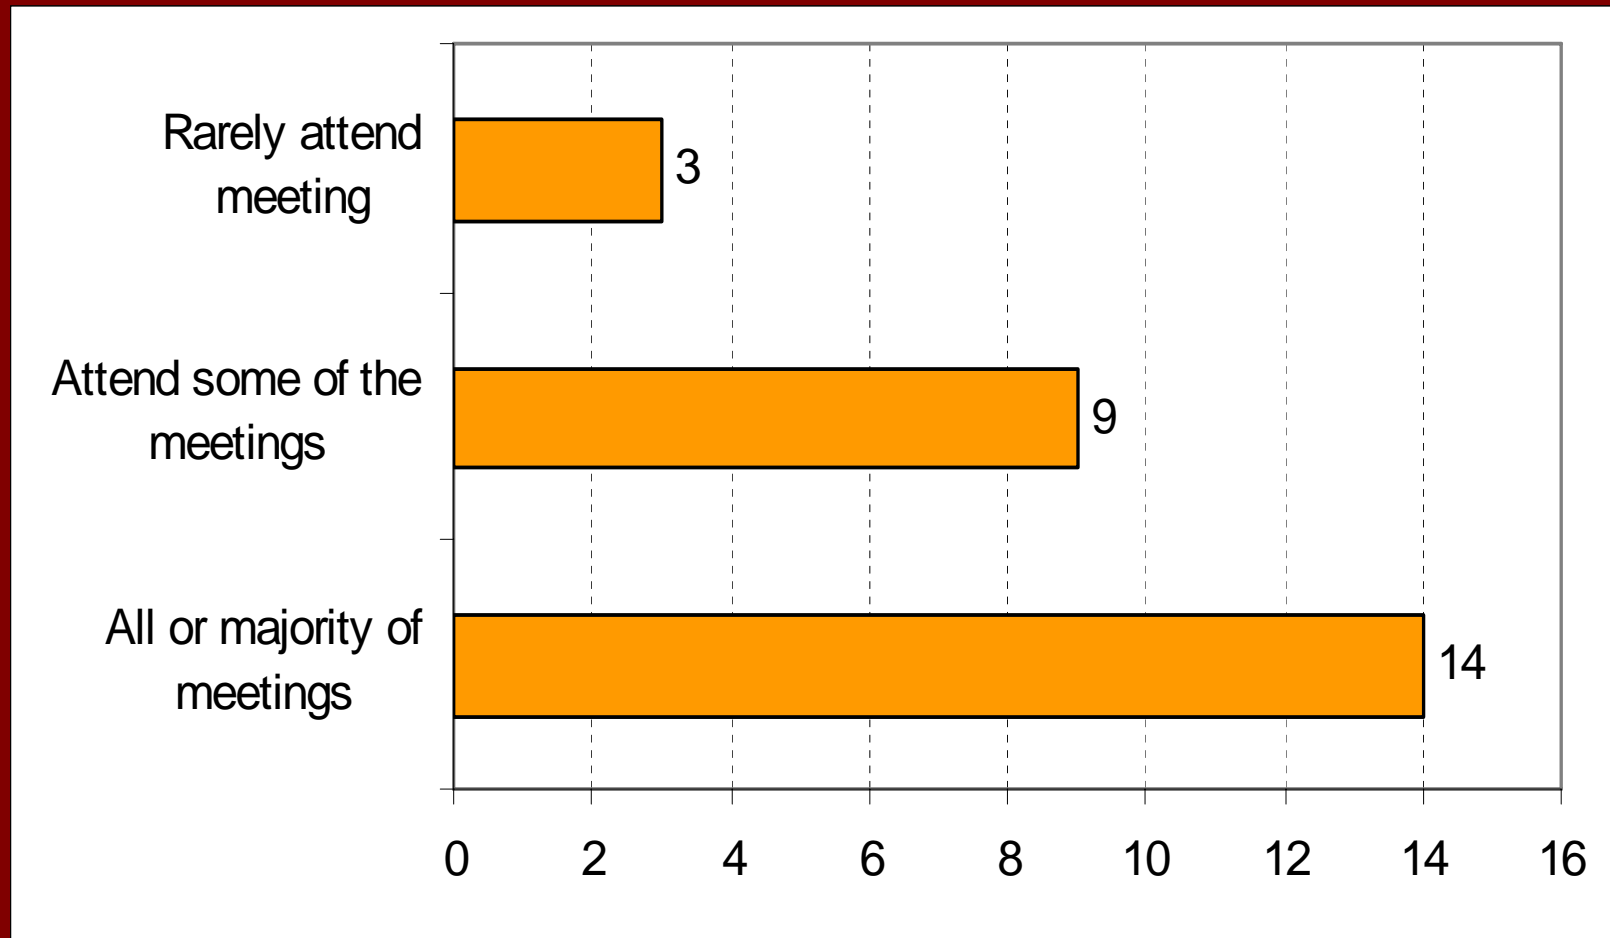

- **Survey Response:**

- 26 respondents
- 19 completed the entire survey

Q1. Should the Task Force meet.....

Q2. Which statement is true about the frequency of your attendance at the RSTF meetings?

Q3. Overall do the RSTF meetings meet your expectations?

YES – 21

NO – 1

Information presented seems to be weighted on New Jersey. Perhaps focus on presenting information at the national level if there aren't enough Pennsylvania examples to use.

Q4. Are you currently involved with any of the subcommittees?

YES - 7

Subcommittees:

- **Engineering – 3**
- **Education – 2**
- **Enforcement – 5**
- **Legislative/Policy – 1**
- **Funding – 1**

NO - 13

Why not participating:

- **Schedule conflict – 9**
- **Meeting location – 3**
- **Lack of interest – 1**
- **Unsure of goal – 1**
- **Other – 4**

Q5. Are there any topics you would like to see presented at an upcoming meeting?

YES – 7

NO – 15

Suggested topics

- 1. European safety or other states that have more advance safety programs/initiatives**
- 2. Status of where we stand in making our region safer, has implemented strategies made an improvement on our highways, what programs have been established to improve safety on the local roads, are priorities being addressed through planned projects/programs**
- 3. Photo speed enforcement**
- 4. Stat-based initiative NHTSA region 2 TEETH program**
- 5. Newest type of landscape and lighting treatment**
- 6. More on EMS aspects of safety**
- 7. How HSIP funds are prioritized and spent; Prioritizing a working system to share data; Receiving the results of other agency reports and studies- FHWA HSIP 5% report, PennDOT Strategic Safety Plan**

Q6. *Are there any safety professionals that you would like see present at a future meeting?*

• YES – 3

• NO – 19

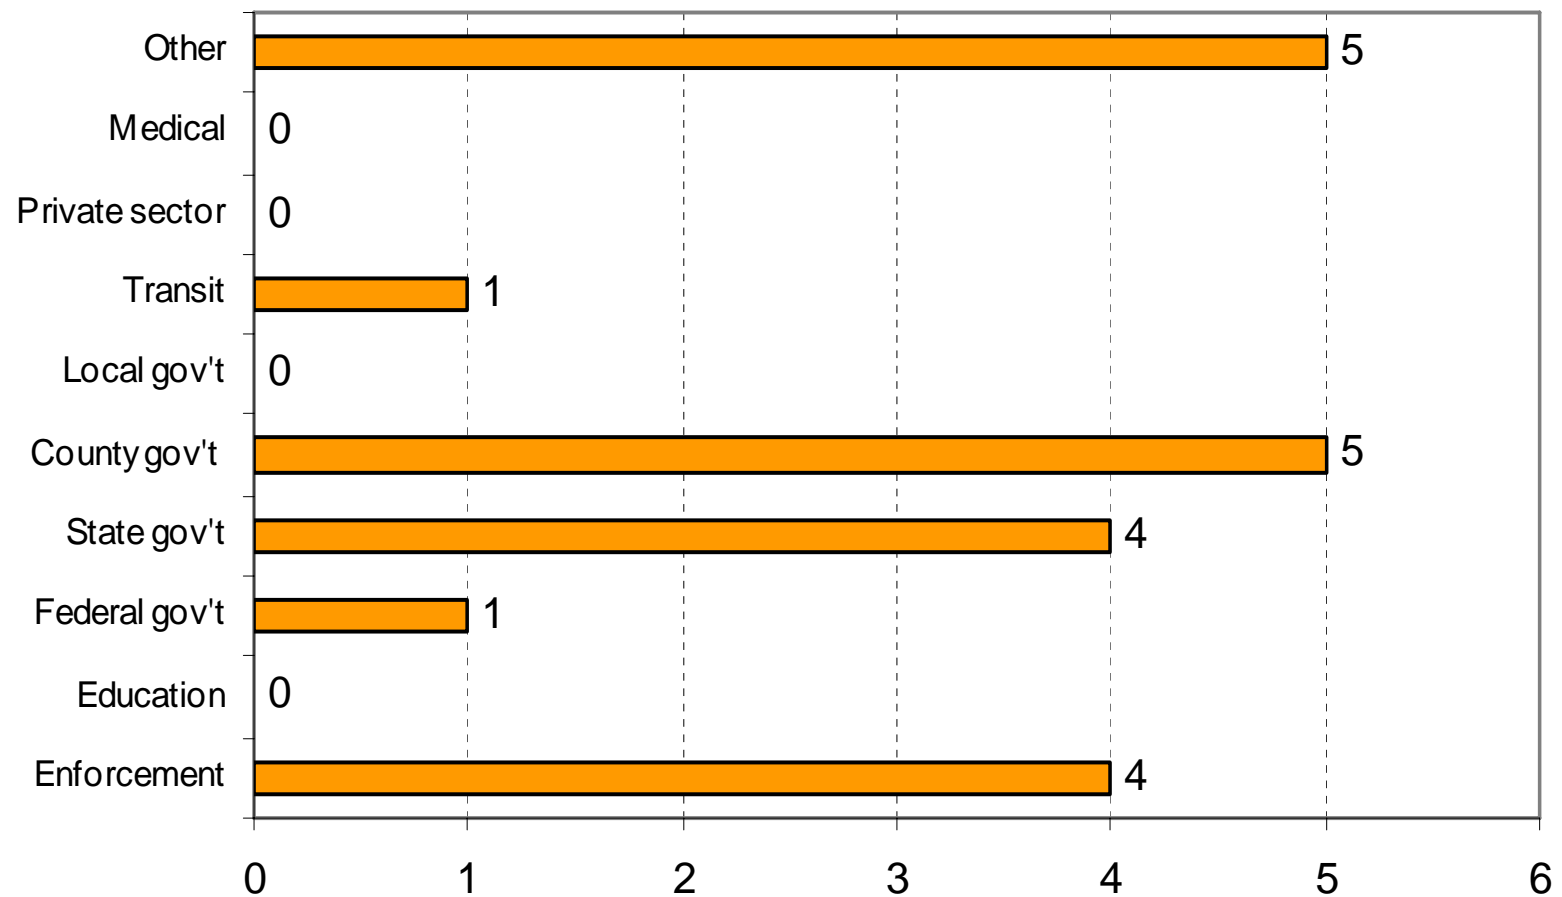

Suggested speakers

- 1. Rudy Umbs, FHWA**
- 2. Representative from NHTSA Region 2 to discuss the TEETH program**
- 3. Representative from South Jersey Traffic Safety Alliance**

Q7. *List of safety stakeholders we should invite to participate in the RSTF.*

- **No Response**

Q8. *Survey respondent field of work.*

Q9. Would you or someone from your organization be interested in making a presentation at a future RSTF meeting?

YES – 1

NO – 19

**Interested in making a presentation on
NSHTA TEETH program**

Q10. Are there any additional comments or suggestions?

YES – 1

NO – 24

Maybe consider looking at DVRPC's CHSIP and discussing what things are being done or what can be done. See if the RSTF can act as a catalyst for action
