The following is intended as a resource to help understand available state and federal funding sources for transit projects. This document will continue to evolve over time. Please let us know any suggestions for improvement.

**State Transit Funding Sources**

**Casino Revenue** – Provides state transit funding from the annual allocation of the 7.5 percent of the Casino Tax Fund appropriated for transportation services for senior and disabled persons.

- **Match Required?**
  No.
- **Who is Eligible to Apply?**
  21 County coordinated systems.
- **Who is NOT Eligible?**
  Anyone other than 21 County coordinated systems is not eligible.
- **Can Public-Private Partnerships Apply?**
  Eligible applicants can contract for service with a private or non-profit operator.
- **Operational Requirements:**
  Services must primarily benefit persons over 60 and individuals with a disability of any age.
- **Eligible/Ineligible Uses for Funds:**
  - Capital vehicles and equipment;
  - Administrative expenses;
  - Mobility management and operating expenses targeting the needs of persons over 60 and individuals with a disability of any age.
- **Relative Stability:**
  Available funding has decreased by more than 50% since 2008 due to diminished returns from Casino Revenue tax.

**NJ-Job Access and Reverse Commute (NJ-JARC)** – Has replaced the FTA Section 5316 JARC program; provides funding for operating only.

- **Match Required?**
  Yes.
- **Match Split:**
  50% Local Match for Operating Funds
- **Who is Eligible to Apply?**
  - Private Non-Profit Organizations;
  - State and Local Governmental Authorities;
  - Operators of public transportation services, including private operators of public transportation services.
- **Can Public-Private Partnerships Apply?**
  Eligible applicants can contract for service with a private or non-profit operator.
- **Operational Requirements:**
  Services must primarily provide access to employment.
- **Eligible/Ineligible Uses for Funds:**
  Operating expenses for eligible services.
- **Relative Stability:**
  Stable for existing funded projects but limited funding for new projects.
Safe Streets to Transit – Provides funds to counties and municipalities to improve the overall safety and accessibility for mass transit riders walking to transit facilities, encourage mass transit users to walk to transit station, and facilitate the implementation of projects and activities that will improve safety in the vicinity of transit facilities (approximately one-half mile for pedestrian improvements).

Who is Eligible to Apply?
Counties and municipalities. A county or municipality may submit one application annually.

Eligible/Ineligible Uses for Funds:
The following project related activities are eligible for funding:
- Construction, including construction inspection and material testing according to the Transportation Trust Fund Authority Act; and
- Preliminary and final design for municipalities eligible for Urban Aid or Depressed Rural Centers according to the Transportation Trust Fund Authority Act.

Ineligible projects and activities include:
- Education and enforcement efforts
- Planning studies
- Transit and shuttle services
- Bus stop shelters
- Maintenance operations
- Routine maintenance or repair of sidewalk
- Bicycle Projects (funding for bicycle facilities are available through other Local Aid grant programs)
- Right-of-way purchases associated with any project.
- Operating costs associated with any project.
- Planning

Additional Notes:
See www.state.nj.us/transportation/business/localaid/documents/SSTTHandbook7-3-14.pdf for more details.

Transportation Alternatives (TAP) – Provides set-aside funding for programs from the previous authorization, SAFETEA-LU, which are: Transportation Enhancements (TE), Recreational Trails (REC TRAILS), and the Federal-Aid Safe Routes to School (SRTS). TAP funds may be transferred to NHPP, STP, HSIP, CMAQ or PL, or to the Federal Transit Administration for TAP-eligible projects.

Match Required?
No.

Who is Eligible to Apply?
- Local governments;
- Regional transportation authorities;
- Transit agencies;
- Natural resource or public land agencies;
- Tribal governments;
- Any other local or regional governmental entity with responsibility for oversight of transportation (other than a metropolitan planning organization or a State agency).
- Regional projects (affecting more than one municipality) must receive county(s) endorsement in addition to the endorsement of affected municipalities.

Who is NOT Eligible?
Nonprofit organizations are not directly eligible to apply. However, nonprofit organizations may partner with a local public agency that will assume responsibility and administration for the grant.

Eligible/Ineligible Uses for Funds:
For the most recent solicitation, eligible projects were required to fit into one the following 7 categories:
1. Provision of facilities for pedestrians and bicycles;
2. Scenic or historic highway programs, including the provision of tourist and welcome center facilities as well as scenic turnouts, overlooks, and viewing areas;
3. Landscaping and other scenic beautification;
4. Historic Preservation;
5. Rehabilitation of historic transportation buildings, structures and facilities (including historic railroad facilities and canals);
6. Preservation of abandoned railway corridors (including the conversion and use thereof for pedestrian and bicycle trails); and
7. Environmental mitigation to address water pollution due to highway runoff or reduce vehicle-caused wildlife mortality while maintaining habitat connectivity.

In addition, projects must relate to surface transportation. A project may function as a component of the transportation system such as a bike and pedestrian path. Proposals must be for a complete, identifiable and usable facility or activity. Funds are not available for partial projects that cannot function as a complete and useful activity (independent utility). Funds are available for design, property acquisition or construction of projects.

Additional Notes:
The federal funds for TAP projects are provided on a reimbursement basis only. Project must receive federal authorization within two years of the date that the applicant is notified of project selection. If the project is not authorized within two years of the notification, the grant will be rescinded and the applicant will have to reapply. For more information, see www.dvrpc.org/TAP/pdf/Transportation_Alternatives_Handbook.pdf or www.state.nj.us/transportation/business/localaid/alternatives.shtm.
