Homes & Community

With intergenerational appeal, families, singles, and empty nesters all love Lansdale because of its practical lifestyle, plentiful amenities and services, and picturesque neighborhoods. Lansdale is home to an eclectic mix of housing styles. Single-family and twin homes comprise much of its housing stock. Lansdale’s character offers many of the same amenities of larger cities, but with a relaxed feel.

Business & Economy

A newly completed streetscape project enhances the downtown atmosphere, improves walkability, and increases opportunities for business throughout the district. Lansdale’s location and role as a transit hub for the entire region – with access via the Main Street Train Station – bring many customers into the town to support its businesses.

Activities & Destinations

Lansdale’s park system comprises 21 parks covering more than 170 acres. Two community pools, ample hiking trails and wooded areas, plus courts and fields for tennis, basketball, football, soccer, and other sports, round out Lansdale’s lovely parks system. Lansdale offers a balance of active, passive, scenic, and cultural opportunities.

The Lansdale Historical Society assists in promoting the town’s heritage through monthly programming and special events.
