Agenda Item:

2g. Transportation Improvement Program (TIP) Action
PA19-31: 2017 Green Light-Go Projects (Various MPMS #s), Various
Counties

From: Angella Moore

County: Delaware

Zip Code: 19151

Date Received: 02/15/2019

Comment/Question: I think this should be approved because it is important because I know that around Greys Ferry, at certain times the traffic is so backed-upped and often times it is due to the timing of consecutive traffic signals.

Response: Thank you for your comment. Your original comment was forwarded to the DVRPC Board, DVRPC Office of Capital Programs, and PennDOT.

PennDOT is always seeking ways to improve the safety as well as traffic flow for our customers. Your support is appreciated.

2i. Transportation Improvement Program (TIP) Action
PA19-33: Transit and Regional Rail Station Program (MPMS #77183),
SEPTA

From: Angella Moore

County: Delaware

Zip Code: 19151

Date Received: 02/15/2019

Comment/Question: Philadelphia is the 5th largest city in the US, and so Philadelphia should have world class (which includes convenient, accessible, modern, et...) transportation facilities.

Response: Thank you for your comment. Your original comment was forwarded to the DVRPC Board, DVRPC Office of Capital Programs, and SEPTA. Your input is appreciated.

**2k. Transportation Improvement Program (TIP) Action
PA19-35: Regional Rail Signal Modernization Program (MPMS
#60255), SEPTA**

From: Angella Moore

County: Delaware

Zip Code: 19151

Date Received: 02/15/2019

Comment/Question: I agree that the TIP should be amended, as this sounds like a safety issue that is needed.

Response: Thank you for your comment. Your original comment was forwarded to the DVRPC Board, DVRPC Office of Capital Programs, and SEPTA. Your support is appreciated.
