**Agenda Item:**

**4a. New SEPTA FY20 Work Program: Promote SEPTA Services as the Primary TDM Option in Center City Philadelphia**

**From:** Marilyn Howarth

**County:** Montgomery

**Zip Code:** 19035

**Date Received:** 10/14/19

**Comment/Question:** The campaign should remind people that they can use google maps on their phone to give them transit directions too. I don't think people recognize that so they feel that it's too hard.

**Response:** Thank you for your comment. Your original comment was forwarded to the DVRPC Board, SEPTA, PennDOT, Office of Transportation, Infrastructure, and Sustainability (oTIS), and Philadelphia City Planning Commission (PCPC).

Thank you for your suggestion. Your continued involvement and participation in the region's development is much appreciated.
