

Highlights | December 1st 2021

Welcome and Meeting Overview

led by Maridarlyn Gonzalez (DVRPC) and Alison Giles (PPTF)

DVRPC Data Products

Kim Korejko | Manager, Data Coordination

Kim shared the different types of data DVRPC has available and how it is collected. She also explained how to access the information and let the members know that there will be an opportunity in the near future for two Task Force members to assist her team as Beta Tester.

The Impacts on Travel

MaryAnn Sandone | PPTF Member & DCTMA Bike/Ped Coordinator

MaryAnn shared how she has used DVRPC data and tools in the past to support her work on Circuit Trails. She shared how she uses RUTI and Sidewalk network.
