§ 25-108. Spacing.
"Large" street trees shall be planted at intervals of not more than 40 feet. "Small street trees shall be planted at intervals of not more than 25 feet. All trees must be selected and coordinated to provide adequate separation from overhead and underground utilities.

§ 25-109. Distance from Curb and Sidewalk.
The distance trees may be planted from curbs or curb lines and sidewalks will be in accordance with the species, size and growth characteristics.

§ 25-110. Distance from Street Corners and Fire Hydrants.
No street trees shall be planted closer than 25 of any street corner, measured from the point of the nearest intersecting curbs or curb lines. No street tree shall be planted closer than 10 feet to any fire hydrant.

§ 25-111. Utilities.
No street trees other than those species listed as small trees in § 25-107 of this Part may be planted under or within 10 lateral feet of any overhead electric utility wire or over or within five lateral feet of any underground waterline, sewer line, transmissions line or other utility.

§ 25-112. Public Tree Care.

1. The Township shall have the right to plant, prune, maintain and remove trees, plants and shrubs within the lines of all streets, roads, alleys, avenues, lanes, squares and public grounds, as may be necessary to ensure public safety or to preserve or enhance the symmetry and beauty of such public grounds.

2. The Township may remove or cause or order to be removed, any tree or part thereof which is in an unsafe condition or which by reason of its nature is injurious to sewers, electric power lines, gas lines, water lines or other public improvements, or is infected with any injurious fungus, insect or other pest. This Section does not prohibit the planting of street trees by adjacent property owners; providing, that the selection and location of said trees is in accordance with §§ 25-107 through 25-111 of this Part.

§ 25-113. Tree Topping.

It shall be unlawful, as a normal practice, for any person, firm or Township Department to top any street tree, park tree or other tree on public property. Topping is defined as the severe cutting back of limbs to stubs larger than three inches in diameter within the tree’s crown to such a degree so as to remove the normal canopy and disfigure the tree. Trees severely damaged by storms or other causes or certain trees under utility wires or other obstructions where other pruning practices are impractical may be exempted by this Part.

§ 25-114. Pruning, Corner Clearance.

Every owner of any tree overhanging any street or right-of-way within the Township shall prune the branches so that such branches shall not obstruct the light from any streetlight or obstruct the view of any street intersection and so that there shall be a clear space of seven feet above the surface of the street or sidewalk. Said owners shall remove all dead, diseased or dangerous trees, or broken or decayed limbs which constitute a menace to the safety of the public. The Township shall have the right to prune any trees or shrub on private property when it interferes with the proper spread of light along the street from a streetlight or interferes with visibility of any traffic control device or sign.

§ 25-115. Dead or Diseased Tree Removal on Private Property.

The Township shall have the right to cause the removal of any dead or diseased trees on private property within the Township when such trees constitute a hazard to life and property, or harbor insects or disease which constitute a potential to other trees within the Township. The Township Tree Board will notify, in writing, the owners of such trees. Removal shall be done by said owners at their own expense within 60 days after the ate of service of notice. In the event of failure of owners to comply
with such provisions, the Township may enter the property and remove the trees, charging the cost of
the cutting and removal to the property owners. The charge shall be a lien against the real estate of the
property owner and shall be collected in the same manner as other municipal liens.

All stumps of street and park trees shall be removed below the surface of the ground so that the top of
stump shall not project above the surface of the ground.

§ 25-117. Interference with Township Tree Board.

It shall be unlawful for any person to prevent, delay or interfere with the Township Tree Board, or any of
its agents, while engaging in and about the planting, cultivating, mulching, pruning, spraying or
removing of any street trees, park trees or trees on private grounds, as authorized in this Part.

§ 25-118. Arborists Licensing.

Any engaging in the business or occupation or pruning, treating or removing street or park trees within
the Township shall comply with the Township's contracting licensing ordinance.

Any person aggrieved by any action of the Township Tree Board may file an appeal to the Board of
Supervisors in accordance with the Local Agency Act.

§ 25-120. Penalty.

Any person, firm or corporation who shall violate any provision of this Part shall, upon conviction
thereof in an action brought before a district justice in the manner provided for the enforcement of
summary offenses under the Pennsylvania Rules of Criminal Procedure, shall be sentenced to pay a fine
of not more than $1,000 nor less than $250 plus costs and, in default of payment of said fine and costs,
to a term of imprisonment not to exceed 90 days. Each day that a violation of this Part continues or each
Section of this Part which shall be found to have been violated shall constitute a separate offense.
