

# DELAWARE VALLEY DATA

DELAWARE VALLEY REGIONAL PLANNING COMMISSION

## REGIONAL DATA BULLETIN

**Municipal, County, and Regional Population  
Estimates, 2000-2009**

**No. 89  
July 2010**

The Delaware Valley Regional Planning Commission (DVRPC) is an interstate, intercounty, and intercity agency that provides comprehensive and coordinated planning for the orderly growth of the Greater Philadelphia region. As the region's metropolitan planning organization (MPO), the Commission provides technical assistance and services to its member state, county, and local governments, the private sector, and the public. *Delaware Valley Data* is our periodic series of free data bulletins and analytical reports. The nine-county DVRPC region includes five southeastern Pennsylvania counties (Bucks, Chester, Delaware, Montgomery, and Philadelphia) and four southern New Jersey counties (Burlington, Camden, Gloucester, and Mercer). The Commission's extended data services area includes its nine member counties plus 19 adjacent counties in Delaware, Maryland, New Jersey, and Pennsylvania (see map on page 3).

This data bulletin contains sub-county population estimates as of July 1, 2009, for the 28 counties located within DVRPC's extended data services area, as released by the United States Census Bureau on June 22, 2010. This bulletin replaces Data Bulletin No. 87 (*Municipal, County, and Regional Population Estimates, 2000-2007*), published by DVRPC in July 2008. The Census Bureau's Population Estimates Program (PEP) produces July 1<sup>st</sup> estimates for the years following the last published decennial census and in most cases simultaneously revises annual estimates released in previous years. Existing data series such as births, deaths, federal tax returns, Medicare enrollment, and immigration are used to update the base counts from the decennial Census. PEP estimates are used in federal funding allocations, in setting the levels of national surveys, and in monitoring recent demographic changes. The current release is the last set of estimates that will be issued prior to the release of 2010 Census data.

Table 1 summarizes information for the DVRPC region and Tables 2 and 3 identify the 20 fastest growing municipalities in the DVRPC region by percent change and absolute change, respectively. Table 4 illustrates population change by county and Table 5 provides data for the extended data services area, metropolitan statistical areas and metropolitan divisions. Appendix A provides population estimates for minor civil divisions (MCDs) in New Jersey and Pennsylvania (where MCDs serve as general-purpose local governments) and for incorporated places in Delaware and Maryland.

### AREA DEFINITIONS

In addition to providing data for the nine-county DVRPC region and its extended data services area, this data bulletin aggregates data as per the definitions of statistical areas issued by the Federal Office of Management and Budget (OMB) in November 2007. The OMB defines Metropolitan, Micropolitan, and Combined Statistical Areas, New England City and Town Areas, and Metropolitan Divisions for use in federal statistical analyses. These areas are updated periodically to reflect changes in the population. Comparisons of this data with regional information issued earlier than 2007 should be made with caution, but can be accomplished by aggregating individual county data.

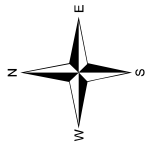

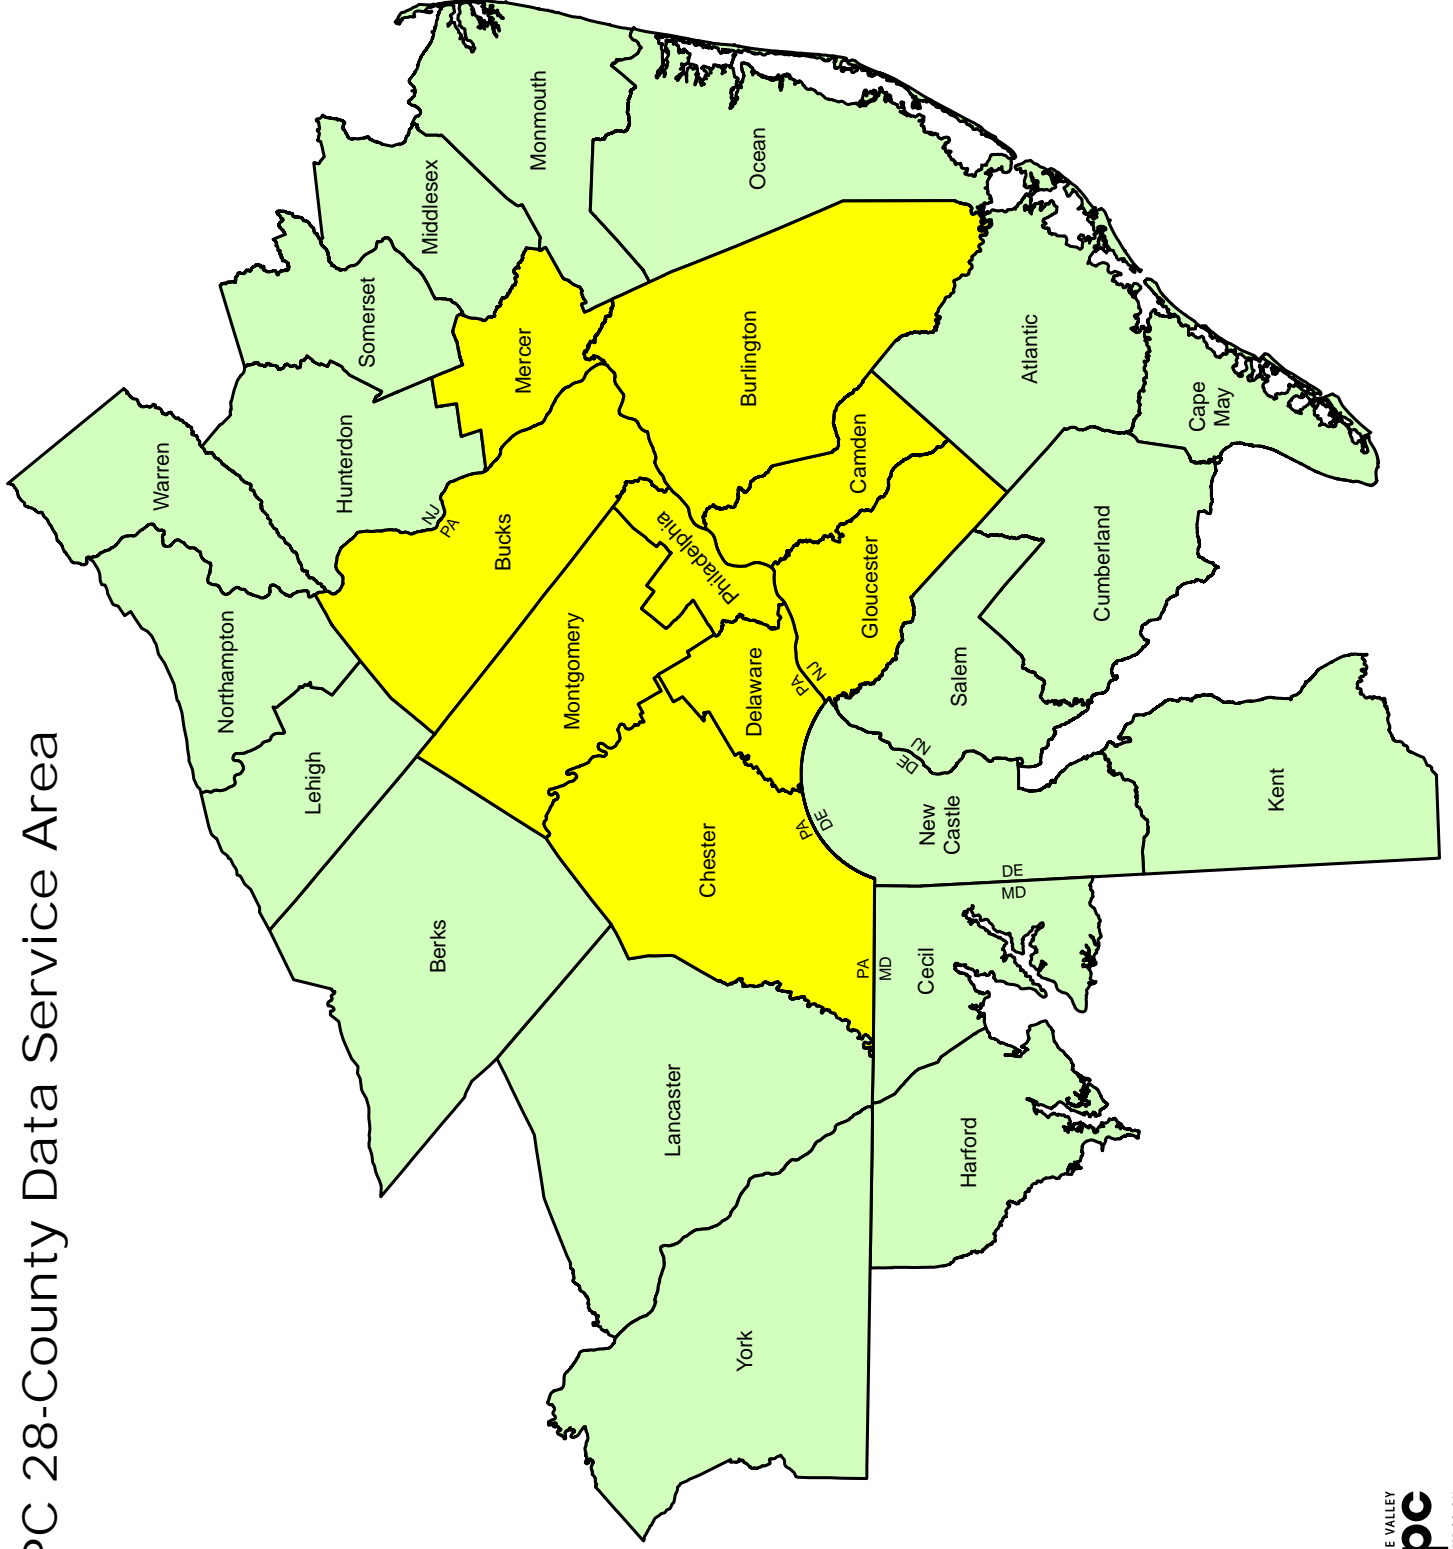

- ◆ The Philadelphia-Camden-Wilmington Metropolitan Statistical Area (MSA) is comprised of the Philadelphia, Pennsylvania Metropolitan Division; the Camden, New Jersey Metropolitan Division; and the Wilmington, Delaware-Maryland-New Jersey Metropolitan Division.
- The Philadelphia, Pennsylvania Metropolitan Division includes Bucks, Chester, Delaware, Montgomery, and Philadelphia counties in Pennsylvania.

- The Camden, New Jersey Metropolitan Division includes Burlington, Camden, and Gloucester counties in New Jersey.
- The Wilmington Delaware-Maryland-New Jersey, Metropolitan Division includes New Castle County, Delaware; Cecil County, Maryland; and Salem County, New Jersey.
- ◆ The Trenton-Ewing MSA includes Mercer County, New Jersey.

## HIGHLIGHTS:

- ◆ The population of the nine-county DVRPC region increased by over 240,000 (four percent) between 2000 and 2009, with the greatest percentage increases realized in Chester County, Pennsylvania, and Gloucester County, New Jersey.
- ◆ Each of the DVRPC region's nine counties, including Philadelphia, saw their population increase over the nine-year time period, with increases ranging from just over 5,900 (Delaware County) to over 63,000 (Chester County).
- ◆ In December 2009, the U.S. Census Bureau officially changed its July 2008 estimate of Philadelphia's population from 1,447,395 to 1,540,351, in response to an appeal filed by the City. After experiencing significant population declines during each of the previous three decades (with a total loss of over 432,000 residents between 1970 and 2000), Philadelphia's population grew by just under 33,600 between 2000 and 2009 (an increase of two percent).
- ◆ The fastest growing municipality in the Greater Philadelphia region between 2000 and 2009 (and, in fact, the fastest growing municipality in the 28-county region) was Woolwich Township (Gloucester County, New Jersey), which realized a population increase of 198 percent. Woolwich's absolute increase of 6,291 residents was second in the nine-county region only to the City of Philadelphia and was followed by Warrington Township in Bucks County (which gained 5,040 residents) and Winslow Township in Camden County (which gained 4,999).
- ◆ The population of the Philadelphia MSA (which, unlike the DVRPC region, excludes Mercer County, New Jersey, but includes Salem County, New Jersey; Cecil County, Maryland; and New Castle County, Delaware) increased by approximately five percent between 2000 and 2009, gaining over 275,000 residents.
- ◆ Based on percentage change, the fastest growing counties in DVRPC's 28-county extended data services area between 2000 and 2009 were Kent County (Delaware) and Cecil County (Maryland), with population increases of 22 and 17 percent, respectively. Other fast-growing counties included Chester County (Pennsylvania), with a 14 percent over the nine-year period, and Gloucester County (New Jersey), with a 13 percent increase.
- ◆ In terms of absolute change, counties that realized the greatest population growth between 2000 and 2009 were Chester County, Pennsylvania (which gained over 63,000 residents) and Ocean County, New Jersey (which gained almost 60,000).
- ◆ Among all municipalities and incorporated areas in DVRPC's 28-county extended data services area, Somerset County's Franklin Township was second only to Philadelphia (which is both a city and a county) in terms of absolute increase in population, gaining over 11,358 new residents. Franklin Township was followed closely by Lower Macungie Township in Lehigh County, where the population increased by 10,728.
- ◆ By percentage, Woolwich Township's 198 percent increase was followed by Middletown Town (New Castle County, Delaware) with a 102 percent increase; Penn Township (Chester County, Pennsylvania) with a 97 percent increase; Lebanon Borough (Hunterdon County, New Jersey) with an 87 percent increase; and Hallam Borough (York County, Pennsylvania), where an increase of 934 people translated into an 82 percent increase.

**Source:** Delaware Valley Regional Planning Commission, as derived from the United States Census Bureau's Population Division (Population Estimates Program), released June 22, 2010. This information is based on the most recently released census files and may include updated data that differs from previously released DVRPC reports.

\* In December 2009, the United States Census Bureau officially changed its July 2008 estimate of Philadelphia's population from 1,447,395 to **1,540,351**, in response to an appeal filed by the city. In its most recent release, the Bureau also revised the City's prior year estimates. Only the total number of residents was revised and estimates of population subgroups (including age, race, and sex) will not be officially changed by the Bureau.

**Source:** Delaware Valley Regional Planning Commission, as derived from the United States Census Bureau, Population Estimates Program (released June 22, 2010). This information is based on the most recently released census files and may include updated data that differs from previously released DVRPC reports.

**NOTES:**

- ◆ New Morgan Borough was formed from portions of Robeson and Caernavon townships in Berks County, Pennsylvania.
- ◆ Washington Township (Mercer County, New Jersey) officially changed its name to Robbinsville in 2007.
- ◆ Wyomissing Hills Borough (Berks County) was unincorporated in 2002 and its population is now included in the count for Wyomissing Borough.
- ◆ In December 2009, the United States Census Bureau officially changed its July 2008 estimate of Philadelphia's population from 1,447,395 to **1,540,351**, in response to an appeal filed by the city. In its most recent release, the Bureau also revised the City's prior year estimates. Only the total number of residents was revised and estimates of population subgroups (including age, race, and sex) will not be officially changed by the Bureau.

For more information on this bulletin or other data bulletins, analytical reports, data reference guides, and data snapshots describing demographic and socioeconomic characteristics in Greater Philadelphia or DVRPC's extended 28 county data services area, please visit our website ([www.dvrpc.org](http://www.dvrpc.org)) or contact Mary E. Bell, Manager of Demographic and Economic Analysis, at [mbell@dvrpc.org](mailto:mbell@dvrpc.org).

**Appendix A: Annual population estimates for minor civil divisions (NJ and PA) and incorporated places (DE and MD), 2000 through 2009**

**Source:** United States Census Bureau, Population Estimates Division. Release date: June 22, 2010. This data is based on the most recently released census files and may include updated information that differs from previous DVRPC publications. All geographic boundaries for the July 1, 2009, population estimates series are defined as of January 1, 2009. An "X" in the Census 2000 field indicates a locality that was formed or incorporated after Census 2000, or was erroneously omitted from Census 2000.

\*In December 2009, the United States Census Bureau officially changed its July 2008 estimate of Philadelphia's population from 1,447,395 to 1,540,351, in response to an appeal filed by the city. In its most recent release, the Bureau also revised the City's prior year estimates. Only the total number of residents was revised and estimates of population subgroups (including age, race, and sex) will not be officially changed by the Bureau.

---

Data Bulletin No. 89 is one in a series of reports designed to disseminate information to member state, county, and local governments and other interested parties. DVRPC maintains a significant database for 28 counties in Delaware, Maryland, New Jersey, and Pennsylvania. Included in the database are data profiles at the regional, county, and municipal level, and for other census geographies, as requested. DVRPC provides a diverse range of data-related services, including demographic and economic data and projections; mapping and aerial photography; computer-assisted mapping and geographic information systems; and policy and program development. For more information on Data Bulletins, Analytical Data Reports, Data Reference Guides, and Data Snapshots, please visit DVRPC's website, or contact DVRPC at the telephone number below.

DVRPC is dedicated to uniting the region's elected officials, planning professionals, and the public with a common vision of making a great region even greater. Shaping the way we live, work, and play, DVRPC builds consensus on improving transportation, promoting smart growth, protecting the environment, and enhancing the economy. We serve a diverse region of nine counties: Bucks, Chester, Delaware, Montgomery, and Philadelphia in Pennsylvania; and Burlington, Camden, Gloucester, and Mercer in New Jersey. DVRPC is the federally designated Metropolitan Planning Organization for the Greater Philadelphia Region – leading the way to a better future.

The symbol in our logo is adapted from the official DVRPC seal and is designed as a stylized image of the Delaware Valley. The outer ring symbolizes the region as a whole while the diagonal bar signifies the Delaware River. The two adjoining crescents represent the Commonwealth of Pennsylvania and the State of New Jersey.

DVRPC is funded by a variety of funding sources, including federal grants from the U.S. Department of Transportation's Federal Highway Administration (FHWA) and Federal Transit Administration (FTA), the Pennsylvania and New Jersey departments of transportation, and DVRPC's state and local member governments. The authors, however, are solely responsible for the findings and conclusions herein, which may not represent the official views or policies of the funding agencies.

DVRPC fully complies with Title VI of the Civil Rights Act of 1964 and related statutes and regulations in all programs and activities. DVRPC's website may be translated into several languages online by visiting [www.dvrpc.org](http://www.dvrpc.org). Publications and other public documents can be made available in alternative languages and formats, if requested. For more information, please call (215) 238-2871.
