Regional Data Bulletin

Residential Permits Issued, 2010-2017,
DVRPC's 28-County Extended Data
Services Area

The Delaware Valley Regional Planning Commission is the federally designated Metropolitan Planning Organization for a diverse nine-county region in two states: Bucks, Chester, Delaware, Montgomery, and Philadelphia in Pennsylvania; and Burlington, Camden, Gloucester, and Mercer in New Jersey.

DVRPC's vision for the Greater Philadelphia Region is a prosperous, innovative, equitable, resilient, and sustainable region that increases mobility choices by investing in a safe and modern transportation system; that protects and preserves our natural resources while creating healthy communities; and that fosters greater opportunities for all.

DVRPC's mission is to achieve this vision by convening the widest array of partners to inform and facilitate data-driven decision-making. We are engaged across the region, and strive to be leaders and innovators, exploring new ideas and creating best practices.

TITLE VI COMPLIANCE | DVRPC fully complies with Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, Executive Order 12898 on Environmental Justice, and related nondiscrimination statutes and regulations in all programs and activities. DVRPC's website, www.dvrpc.org, may be translated into multiple languages. Publications and other public documents can be made available in alternative languages and formats, if requested. DVRPC public meetings are always held in ADA-accessible facilities, and in transit-accessible locations when possible. Auxiliary services can be provided to individuals who submit a request at least seven days prior to a public meeting. Requests will be accommodated to the greatest extent possible. Any person who believes they have been aggrieved by an unlawful discriminatory practice by DVRPC under Title VI has a right to file a formal complaint. Any such complaint may be in writing and filed with DVRPC's Title VI Compliance Manager and/or the appropriate state or federal agency within 180 days of the alleged discriminatory occurrence. For more information on DVRPC's Title VI program or to obtain a Title VI Complaint Form, please visit: www.dvrpc.org/GetInvolved/TitleVI, call (215) 592-1800, or email public_affairs@dvrpc.org.

DVRPC is funded through a variety of funding sources including federal grants from the U.S. Department of Transportation's Federal Highway Administration (FHWA) and Federal Transit Administration (FTA), the Pennsylvania and New Jersey departments of transportation, as well as by DVRPC's state and local member governments. The authors, however, are solely responsible for the findings and conclusions herein, which may not represent the official views or policies of the funding agencies.

Background

This regional data bulletin presents residential building permit data for 2010 through 2017 in the extended 28-county data services area. The Delaware Valley Regional Planning Commission's (DVRPC's) extended data services area (illustrated in Figure 1) includes Kent and New Castle counties in Delaware; Cecil and Harford counties in Maryland; Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Hunterdon, Mercer, Middlesex, Monmouth, Ocean, Salem, Somerset, and Warren counties in New Jersey; and Berks, Bucks, Chester, Delaware, Lancaster, Lehigh, Montgomery, Northampton, Philadelphia, and York counties in Pennsylvania.

Residential construction activity data is derived from current reports and publications compiled by the U.S. Census Bureau's Residential Construction Statistics Division. Municipalities provide the U.S. Census Bureau with tabulations of the number of housing units authorized, according to types of structures. In the few cases where municipalities reported building permit activity for some months but not for all 12 months, the U.S. Census Bureau estimates the total yearly number of building permits based on past building permit activity. Data is presented in this bulletin for the total number of housing units authorized in a municipality for each of the following types of structures:

- single-unit structures, including both detached single-family houses and semi-detached units and row houses, provided the units are separated by a ground-to-roof party wall (mobile homes are not included);
- duplexes or structures with two dwelling units (if built side by side, they do not have a ground-to-roof party wall and generally have a common attic, basement, heating plant, and other features); and
- structures with three or more units (each building contains three or more units sharing a common basement, heating plant, stairs, water supply, or entrance; triplexes, garden apartments, and high-rise buildings are included in this category, as well as condominiums and cooperatively owned apartment buildings).

Area Definitions

In addition to providing data for the nine-county DVRPC region and its extended data services area, this data bulletin aggregates data as per the definitions of statistical areas issued by the federal Office of Management and Budget (OMB) in February 2013. The OMB defines Metropolitan, Micropolitan, and Combined Statistical Areas; New England City and Town Areas; and Metropolitan Divisions, for use in federal statistical analyses. These areas are revised every 10 years, based on commuting ties between counties; and updated periodically to reflect changes in the population, based on the U.S. Census Bureau's Population Estimates Program. Comparisons of this data with regional information issued earlier than 2013 should be made with caution but can be accomplished by aggregating county-level data.

- The Philadelphia-Camden-Wilmington Metropolitan Statistical Area (MSA) includes the Philadelphia, Pennsylvania Metropolitan Division; the Montgomery County-Bucks County-Chester County, Pennsylvania Metropolitan Division; the Camden, New Jersey Metropolitan Division; and the Wilmington, Delaware-Maryland-New Jersey Metropolitan Division.
 - The Philadelphia, Pennsylvania Metropolitan Division includes Delaware and Philadelphia counties in Pennsylvania.
 - The Montgomery County-Bucks County-Chester County, Pennsylvania Metropolitan Division includes Bucks, Chester, and Montgomery counties in Pennsylvania.
 - The Camden, New Jersey Metropolitan Division includes Burlington, Camden, and Gloucester counties in New Jersey.
 - The Wilmington, Delaware-Maryland-New Jersey Metropolitan Division includes New Castle County in Delaware, Cecil County in Maryland, and Salem County in New Jersey.
- The Trenton-Ewing MSA includes Mercer County in New Jersey.

Figure 1:
DVRPC 28-County Data Services Area

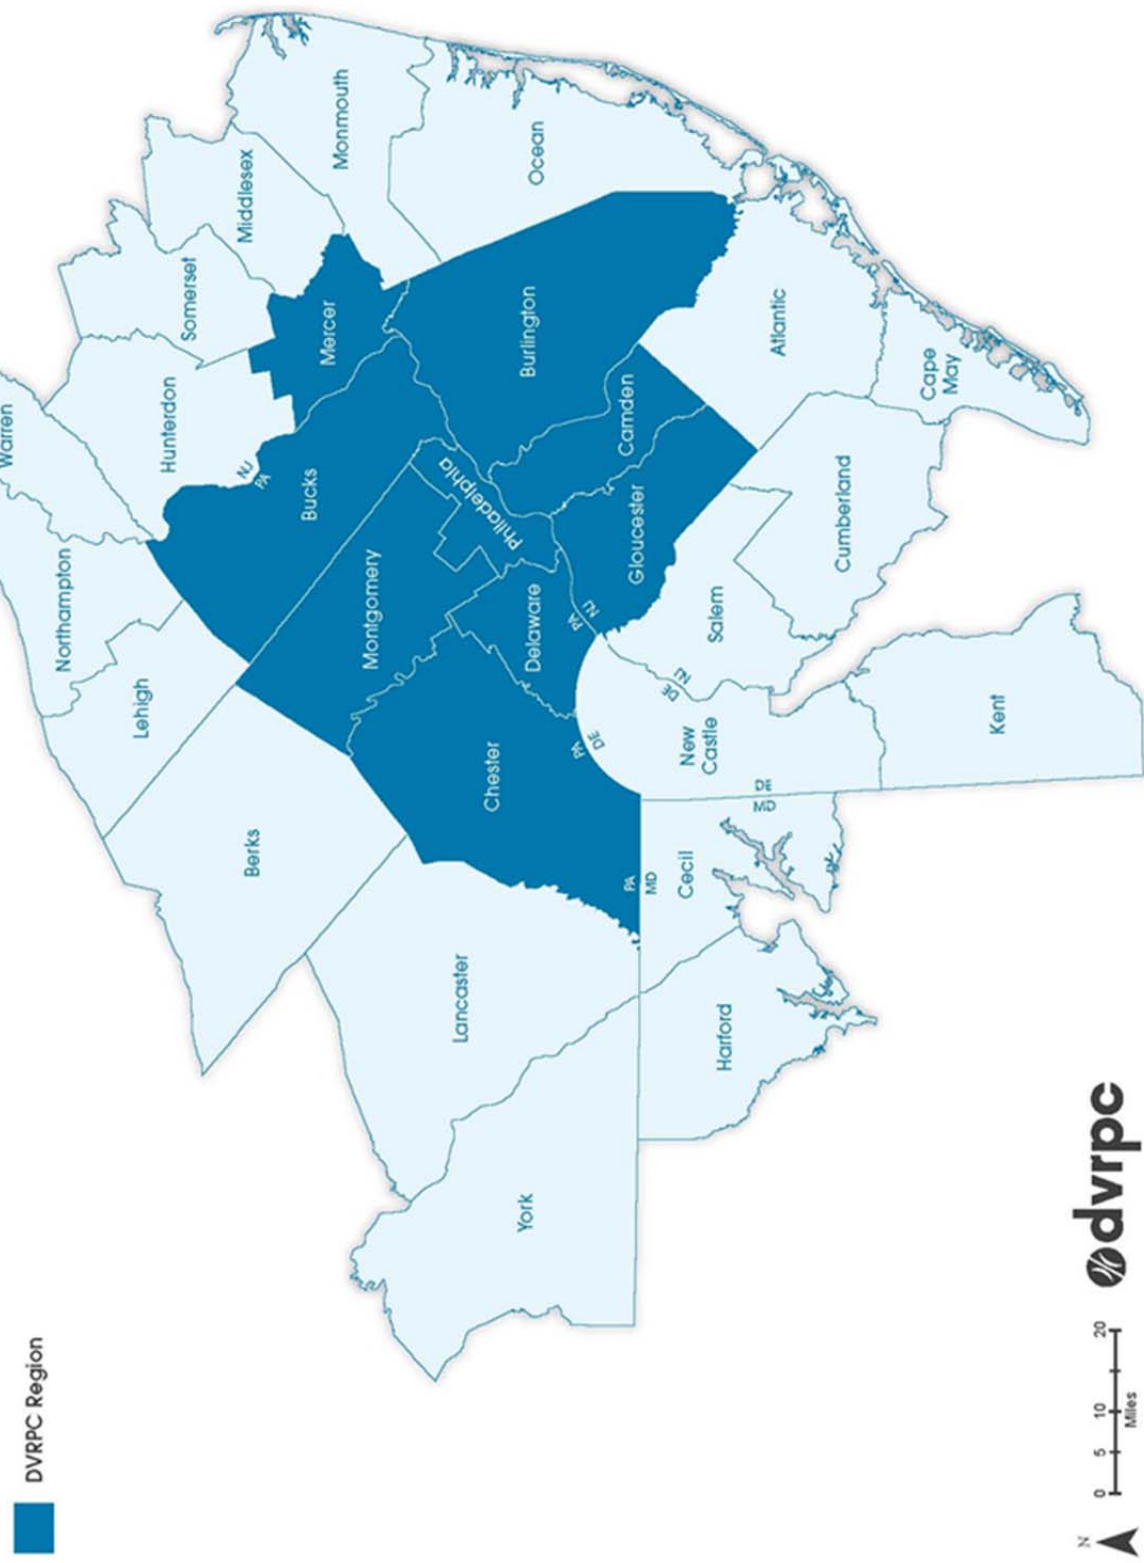

Table 1 provides the number of building permits issued between 2010 and 2016, and in 2017, by county for the 28-county extended data services area. Table 2 describes single-family permit activity in the 28-county extended data services area relative to total permit activity, and Table 3 identifies the municipalities in the 28-county extended data services area that authorized the most residential building permits in 2017. Table 4 describes regional and subregional residential building permit activity. Figure 2 illustrates the number of building permits issued annually between 2000 and 2017 in the MSAs and Metropolitan Divisions mentioned above. Table 5 summarizes residential building permit activity by type of structure for each county in the nine-county DVRPC region, and Table 6 identifies the 20 municipalities in the DVRPC region that authorized the most new residential units in 2017. Table 7 identifies municipalities in the nine-county DVRPC region that issued the most residential building permits between 2010 and 2017 as a percentage of each municipality's total housing units in 2010, as a more meaningful indication of the impact of new residential construction in individual communities.

The Appendix provides municipal-level data on the number of new housing units authorized by residential permits by type of structure in the 28-county extended data service area between 2010 and 2016, and in 2017. Data for individual years between 2010 and 2014 is available in DVRPC's *Regional Data Bulletin 095*, and for 2015 in *Regional Data Bulletin 098*. Comparable data for the years 2000 through 2009 is available in *Regional Data Bulletin 093*.

Highlights

28-County Region

As indicated in Table 1, more than 30,000 units were authorized by residential building permits in the 28-county data services area in 2017. This includes 3,423 units in the two Delaware counties; 985 units in the two Maryland counties; 14,703 units in the 14 New Jersey counties; and 11,868 units in the 10 Pennsylvania counties.

The 30,979 new units in 2017 is the highest number generated in the 28-county area in 10 years (2007 saw 33,812 new units). Residential permits peaked in 2004 at 54,026 but declined every year thereafter until 2010 (when it increased slightly to 19,377). The number of permits issued annually declined again in 2011 (to 16,829 in 2011), but since 2011, the annual number of permits issued increased each year through 2015. 2016 remained virtually unchanged, but new units increased again in 2017 due primarily to stronger growth in Delaware and New Jersey counties.

The counties that issued the most residential building permits in 2017 were Ocean County, New Jersey (with 3,427 units); Philadelphia County, Pennsylvania (where permits were issued for 3,389 units); Middlesex County, New Jersey (with 2,730 units); Montgomery County, Pennsylvania (with 2,067 permits issued); New Castle County, Delaware (with 1,869 permits); and Kent County, Delaware (with 1,554 permits).

As indicated in Table 2, in 2017, 58 percent of the permits issued in the 28-county extended data services area were for single-family homes, compared to 62 percent between 2010 and 2016 and 79 percent during the previous decade. In the nine-county DVRPC region, 49 percent of the permits issued in 2017 were for single-family homes, compared to 52 percent between 2010 and 2016 and 74 percent during the previous decade.

Table 2 also indicates that counties with the highest percentage of permits issued for single-family homes in 2017 include Cecil County, Maryland; Cumberland County, New Jersey; and Salem County, New Jersey (all with 100 percent single family). The remaining counties with 90 percent or greater single-family units were all in Pennsylvania: Chester County (98 percent), Berks County (97 percent), Bucks County (95 percent), Lehigh County (90 percent), and Northampton County (90 percent).

As indicated in Table 3, throughout the 28-county extended data services area, municipalities or incorporated places that issued the most residential building permits in 2017 included Philadelphia (which is legally both a county and a municipality), with 3,389 permits; Lakewood Township (in Ocean County, New Jersey), with 1,290 permits; Winslow Township (in Camden County, New Jersey), with 479 permits; City of Dover (in Kent County, Delaware), with 448 permits; Woodbridge Township (in Middlesex County, New Jersey), with 437 permits; Atlantic City (in Atlantic County, New Jersey), with 392 permits; Monroe Township (in Middlesex County, New Jersey), with 392 permits; and Piscataway Township (in Middlesex County, New Jersey), with 378 permits.

As indicated in Table 4, 32 percent of the residential building permits issued in 2017 in the Philadelphia-Camden-Wilmington MSA were issued in the Montgomery County-Bucks County-Chester County, Pennsylvania Metropolitan Division. An additional 29 percent were issued in the Philadelphia, Pennsylvania Metropolitan Division (which includes both Philadelphia and Delaware counties).

In Figure 2, the impact of the recession of the early 2000s and the subsequent recovery that began in 2009 are clearly evident. Although residential construction was most significantly impacted in the Montgomery County-Bucks County-Chester County, Pennsylvania Metropolitan Division, construction in the division has increased significantly since.

DVRPC Region

In DVRPC's nine-county region, 52 percent of the residential permits issued between 2010 and 2017 were for single-family units, as illustrated in Table 5. The percentage of permits issued annually for single-family homes declined every year between 2010 and 2014 (from 66 percent in 2011 to 44 percent in 2014), as multifamily residential construction activity increased in the region's cities (particularly in Philadelphia) and older suburbs. In 2015, the percentage of permits issued in the DVRPC region for single-family homes increased slightly, to 48 percent, then increased again in 2016 to 53 percent before declining to 49 percent in 2017.

In the DVRPC region, counties with the highest percentages of permits issued between 2010 and 2017 for single-family units include Delaware County (89 percent) and Bucks County (90 percent); counties with the lowest percentage of permits for single-family homes include Philadelphia County (25 percent); Camden County (25 percent); and Mercer County (29 percent).

Residential construction permits were issued for 12,141 housing units in the nine-county DVRPC region in 2017. Philadelphia, Montgomery, and Camden counties issued the greatest number of permits, as indicated in Table 2.

In addition to Philadelphia, municipalities in the DVRPC region that issued the greatest number of residential permits in 2017 include Winslow Township (Camden County, New Jersey); Upper Merion and Lower Merion townships (both in Montgomery County, Pennsylvania); Cherry Hill Township (Camden County, New Jersey); Washington Township (Gloucester County, New Jersey); West Windsor Township (Mercer County, New Jersey); Burlington Township (Burlington County, New Jersey), and East Whiteland Township (Chester County, Pennsylvania), as indicated in Table 6. Permits issued in the 20 municipalities listed in Table 6 accounted for 61 percent of all permits issued in the nine-county region in 2017.

Municipalities in the DVRPC region that have experienced the most residential construction activity between 2010 and 2017 relative to their 2010 housing stock include East Brandywine Township (Chester County, Pennsylvania); Swedesboro Borough (Gloucester County, New Jersey); West Vincent Township (Chester County, Pennsylvania); Woolwich Township (Gloucester County, New Jersey); Chesterfield Township (Burlington County, New Jersey); Delanco Township (Burlington County, New Jersey); Upper Hanover Township (Montgomery County, Pennsylvania); New Hanover Township (Montgomery County, Pennsylvania); Plumstead Township (Bucks County, Pennsylvania); and London Grove Township (Chester County, Pennsylvania), as indicated in Table 7.

Report Title: Regional Data Bulletin # 101: Residential Building Permits, 2010–2017,
DVRPC's 28-County Extended Data Services Area

Publication No.: DB 101

Date Published: October 2018

Geographic Area Covered:

DVRPC's 28-county extended data services area, which includes Kent and New Castle counties in the State of Delaware; Cecil and Harford counties in the State of Maryland; Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Hunterdon, Mercer, Middlesex, Monmouth, Ocean, Salem, Somerset, and Warren counties in the State of New Jersey; and Berks, Bucks, Chester, Delaware, Lancaster, Lehigh, Montgomery, Northampton, Philadelphia, and York counties in the Commonwealth of Pennsylvania.

Key Words: Residential building permits, construction, single-family, duplex

Abstract:

Regional Data Bulletin #101 presents residential building permit data for 2010 through 2017 in the extended 28-county data services area. Residential construction activity data is derived from current reports and publications compiled by the U.S. Census Bureau's Residential Construction Statistics Division. Municipalities provide the Census Bureau with tabulations of the number of housing units authorized, according to types of structures. In the few cases where municipalities reported building permit activity for some months but not for all 12 months, the Census Bureau estimates the total yearly number of building permits based on past building permit activity.
