Joan S. Blaustein: Suggested Bibliography

Joan S. Blaustein serves as the Director of Urban Forestry and Ecosystem Management Division for the Philadelphia Department of Parks and Recreation. The Division is responsible for maintaining and restoring the city's 5,400-acre park system; managing the urban tree canopy, which includes promoting tree planting and care on public and private lands; and advancing the city's urban agriculture efforts.

For more information on Ms. Blaustein's work, go to www.phillyforestscience.org.
