

Delaware Estuary Coastal Zone Federal Fiscal Year 2013 Awards

Project Performance Period: October 1, 2013—March 31, 2015

Delaware County

- **Delaware County** – \$6,500 to provide an interactive environmental education program as part of the annual Delaware County Riverfront Resource Environmental Event.

Total: \$6,500

Philadelphia County

- **Delaware River Waterfront Corporation** – \$50,000 to create plans to transform Philadelphia's formerly industrial riverfront between Piers 53 and 70 south into a wetlands education site.
- **Philadelphia Parks and Recreation** – \$60,000 to build a riverfront trail and greenway along the east bank of the Schuylkill River between South and Christian Streets in Philadelphia, extending the Schuylkill River Trail an additional 1,200 feet.
- **Partnership for the Delaware Estuary, Inc.** – \$30,000 to conduct Pennsylvania Coast Day events, which educate the public about coastal recreation, historic sites, and public access.
- **John Bartram Association** – \$40,000 to create a plan to enhance and restore historic features that improve Bartram's Garden as a regional cultural destination and public green resource on the banks of the Schuylkill River.
- **Fairmount Park Commission** - \$50,000 to install a composting restroom at Lardner's Point Park to serve current and future users and a future trail that will be part of the East Coast Greenway.

Total: \$230,000

Bucks County

- **Heritage Conservancy** – \$15,067 to enhance and protect ecological communities and endangered flora in Bristol Marsh.

Total: \$15,067

Coastal Zone Wide

- **Delaware Valley Regional Planning Commission** – \$50,000 to implement the Coastal Management Program in the Delaware Estuary Coastal Zone that includes Delaware, Philadelphia and Bucks counties.
- **Keep Pennsylvania Beautiful** – \$25,000 to plan, organize, oversee, and report on the International Coastal Cleanup in Pennsylvania's Delaware Estuary.
- **Partnership for the Delaware Estuary, Inc.** – \$49,425 to expand freshwater mussel restoration efforts through strengthening technical surveys and restoration planning for freshwater mussels in the Delaware River.

Total: \$124,425

FFY2013 Total: \$375,992
