

# Delaware Estuary Coastal Zone Federal Fiscal Year 2016 Awards

Project Performance Period: October 1, 2016—March 31, 2018

## Delaware County

- **City of Chester** – \$50,000 to prepare a comprehensive recreation, open space and greenway plan for Chester, focusing on the alignment and development of new trails and strategic investment in existing recreational resources.
- **Delaware County** – \$40,000 to engage municipalities and stakeholders in planning for the construction and sustainable long-term maintenance of the East Coast Greenway in Delaware County.
- **Temple University** – \$49,999 to develop, in partnership with Eastern Delaware County Stormwater Collaborative, a Green Stormwater Infrastructure Prioritization Plan for eastern Delaware County municipalities in the Darby-Cobbs watershed.

**Total: \$139,999**

## Philadelphia County

- **Partnership for the Delaware Estuary, Inc.** – \$49,782 to stock juvenile freshwater mussels in streams and ponds in southeastern Pennsylvania and monitor survival rates to develop best management practices and improve water quality.
- **Partnership for the Delaware Estuary, Inc.** – \$34,361 to conduct Pennsylvania Coast Day 2017 events to educate the public on coastal recreation, historic sites, and public access.
- **Schuylkill River Development Corporation** – \$48,000 to complete preliminary engineering for a new segment of Schuylkill Banks, part of the Schuylkill River Trail, from 58th Street to 61st Street.

**Total: \$132,143**

## Schuylkill County

- **Schuylkill County Conservation District** – \$3,000 to host the 2017 Bear Creek Festival, reaching approximately 2,000 people and providing education on sustainability, enhancing biodiversity and mitigating nonpoint source pollution.

**Total: \$3,000**

## Coastal Zone Wide

- **Delaware Valley Regional Planning Commission** – \$40,000 to implement the Coastal Management Program in the Delaware Estuary Coastal Zone that includes Delaware, Philadelphia, and Bucks counties.
- **Delaware Valley Regional Planning Commission** – \$50,000 to conduct outreach to municipalities in the Delaware Estuary Coastal Zone focused on climate resiliency and related hazard mitigation.

**Total: \$90,000**

**FFY2016 Total: \$365,142**
