5a. Delaware County Electric Vehicle Charging Program (MPMS #82042), Delaware County – Add New Project to the TIP

From: Jerrett Johnson

Zip Code: 19139

Date Received: 10/10/25

Comment/Question: As someone who resides in West Philly that is close to the Delaware County Border and also drives a plug in hybrid, I give a big congratulations and thanks for giving me and all of the people who either drive a plug in hybrid or electric vehicle more options for charging stations.

Response: Your comment was shared with the DVRPC Board, DVRPC's Office of Capital Programs, and Delaware County.

Thank you for your support of this project. We are happy to be able to provide residents of Delaware County and the surrounding areas more locations to charge electric vehicles and pleased to have the opportunity to expand our EV infrastructure.

Thank you for your support and we appreciate your involvement in the region's development.

Comment/Question: I support funding the study and construction of EV infrastructure within Delaware County. I hope future efforts include additional EV chargers in Lansdowne, East Lansdowne, and Yeadon.

Response: Your comment was shared with the DVRPC Board, DVRPC's Office of Capital Programs, and Delaware County.

Thank you for your support of this project. Delaware County is happy to be able to provide residents of the County additional locations to charge electric vehicles and are pleased to have the opportunity to expand our EV infrastructure.

Thank you for your support and we appreciate your involvement in the region's development.
