<u>FY 2021 Burlington County Local Concept Development Intersection Studies Project</u>	DVRPC	3/08/2021
Additional information is available		

Upon further review, DVRPC and Burlington County will only proceed with intersection study located at County Route 614 (Tom Brown Road), County Route 603 (Riverton Road) and New Albany Road, in the Township of Moorestown identified as Study #2 due to funding eligibility. Specifically, the intersection study located at County Road 660 and County Road 677 identified as Study #1 has been excluded from further consideration and all references have been removed from the new Burlington County Local Concept Development Intersection Study for CR 614, CR 603 and New Albany Road Request for Proposals. Technical and administrative proposals for the new RFP will be due on Wednesday, March 10, 2021 at 10 AM.
