

# Pennsylvania Coastal Resiliency

## Pennsylvania Grants

A number of Pennsylvania agencies offer grants that can be used to reduce risk in communities. Potential funding sources with additional details are included in the table below.

Grant	Administrator	Funding Cycle	Description
<b>Keystone Historic Preservation Program</b>	PA Historical and Museum Commission	Annual	<ul style="list-style-type: none"> <li>Construction Grants – maintenance and repair of historic properties.</li> <li>Project Grants – historic site surveys, archaeological surveys, feasibility studies, and historic structure reports.</li> </ul>
<b>Growing Greener</b>	PA Department of Environmental Protection	Annual	Funds projects that protect or improve water quality by mitigating non-point sources, including agricultural, urban runoff, and abandoned mine drainage.
<b>Coastal Zone Management</b>	PA Department of Environmental Protection	Annual	Funds projects in the Delaware Estuary Coastal Zone that address coastal hazards areas, wetlands protections and enhancement, shoreline public access, and habitat connectivity.
<b>Riparian Forest Buffer Program</b>	PA Department of Conservation and Natural Resources	Annual	Provides funds to identify locations in need of riparian forest buffers and to design, establish, monitor, and provide short-term maintenance for those buffers.

# Pennsylvania Grants

Grant	Administrator	Funding Cycle	Description
<b>Community Conservation Partnerships Program</b>	PA Department of Conservation and Natural Resources	Annual	Provides funds for: <ul style="list-style-type: none"> <li>• Planning, acquisition, and development of public parks;</li> <li>• Recreation areas;</li> <li>• Motorized and non-motorized trails;</li> <li>• River conservation and access; and</li> <li>• Conservation of open space.</li> </ul>
