

# Air Emissions Inventories for Ports

Guiselle Aldrete

Air Quality Consultant

Starcrest Consulting Group, LLC

Mid-Atlantic Ports

Vibrant Ports, Healthy Ports Workshop

October 24, 2017

# U.S. ports that have recently conducted emissions inventories

# What is the process of an emissions inventory?

- Collect data
- Estimate emissions
- Prepare report

# Why develop an emissions inventory?

- Identify emissions from port-related mobile sources
- Prepare a baseline to track achievements
- Identify opportunities and prioritize for future emission reduction strategies
- Provide foundation for grants

# Port Emission Inventory Examples

- Port of Los Angeles
- Port Everglades

# Port of Los Angeles Emissions Inventory

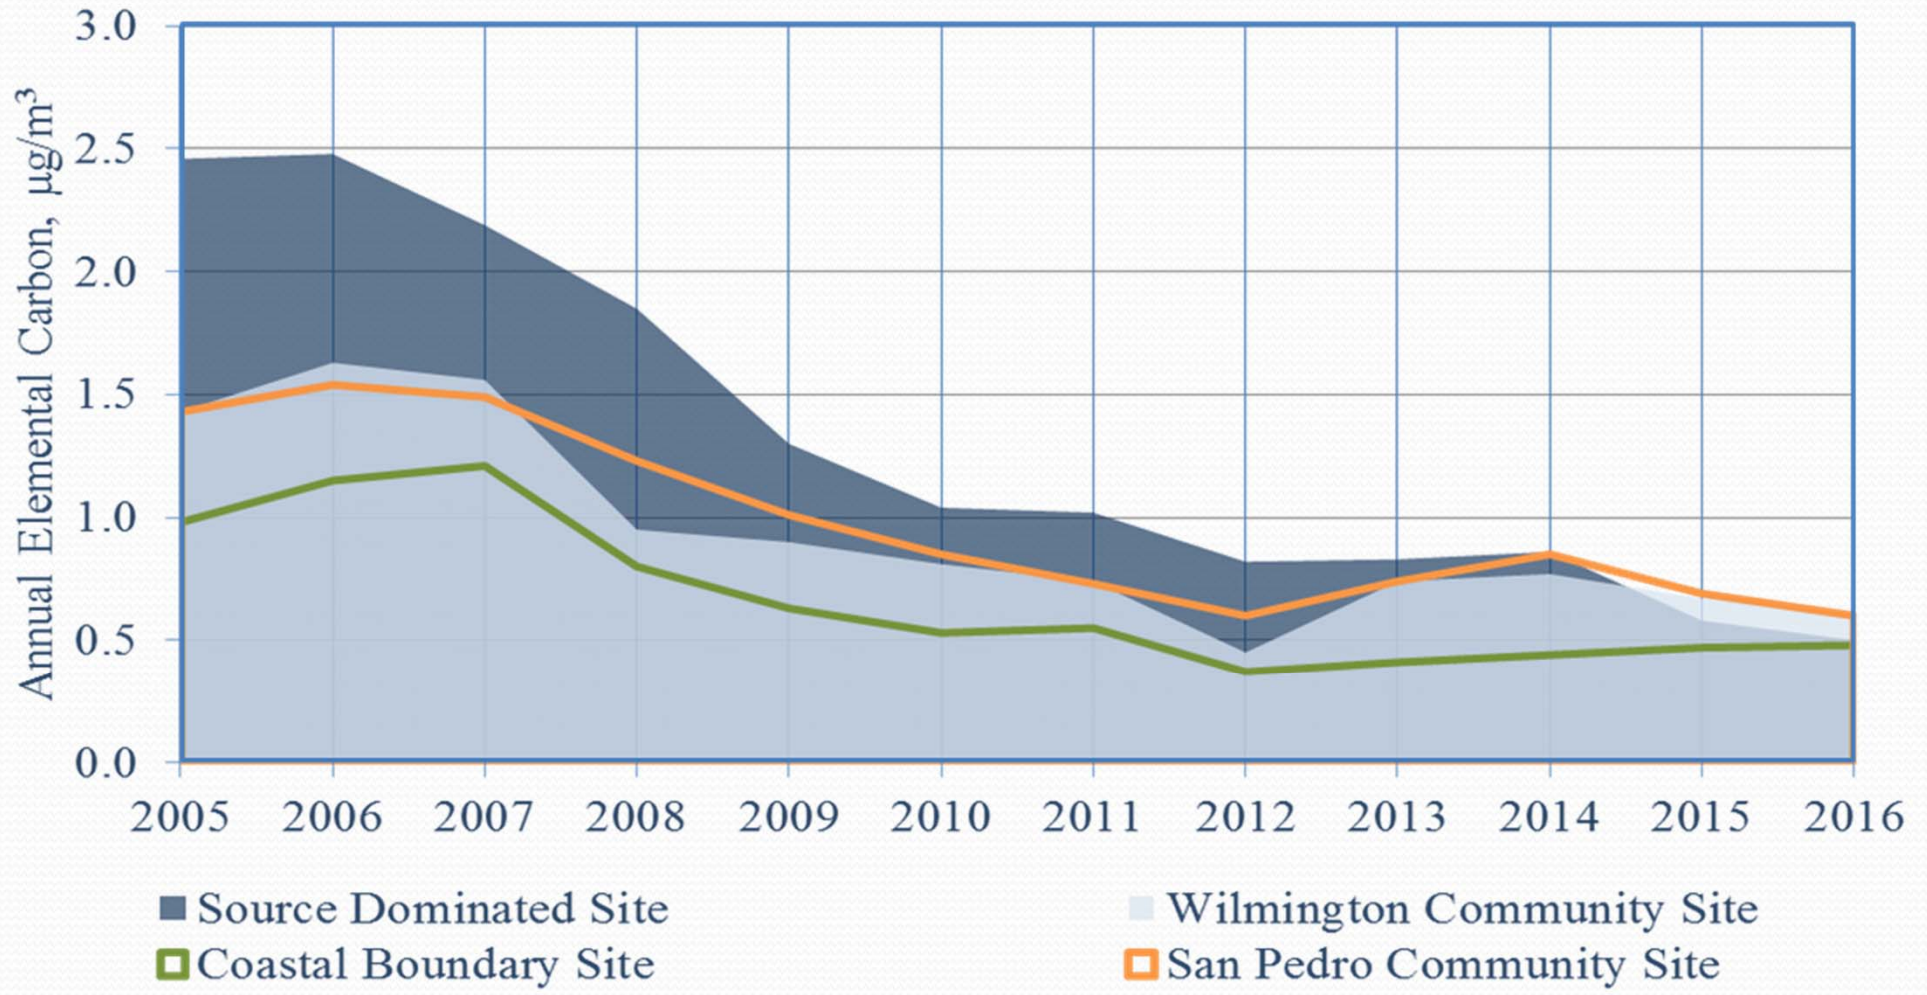

## Goals and Actual Reductions from 2005

	2014 Goal	2015 Actual	2016 Actual	2023 Goal
DPM	72%	85%	87%	77%
NO <sub>x</sub>	22%	51%	57%	59%
SO <sub>x</sub>	93%	97%	98%	93%

# POLA Air Monitoring Progress

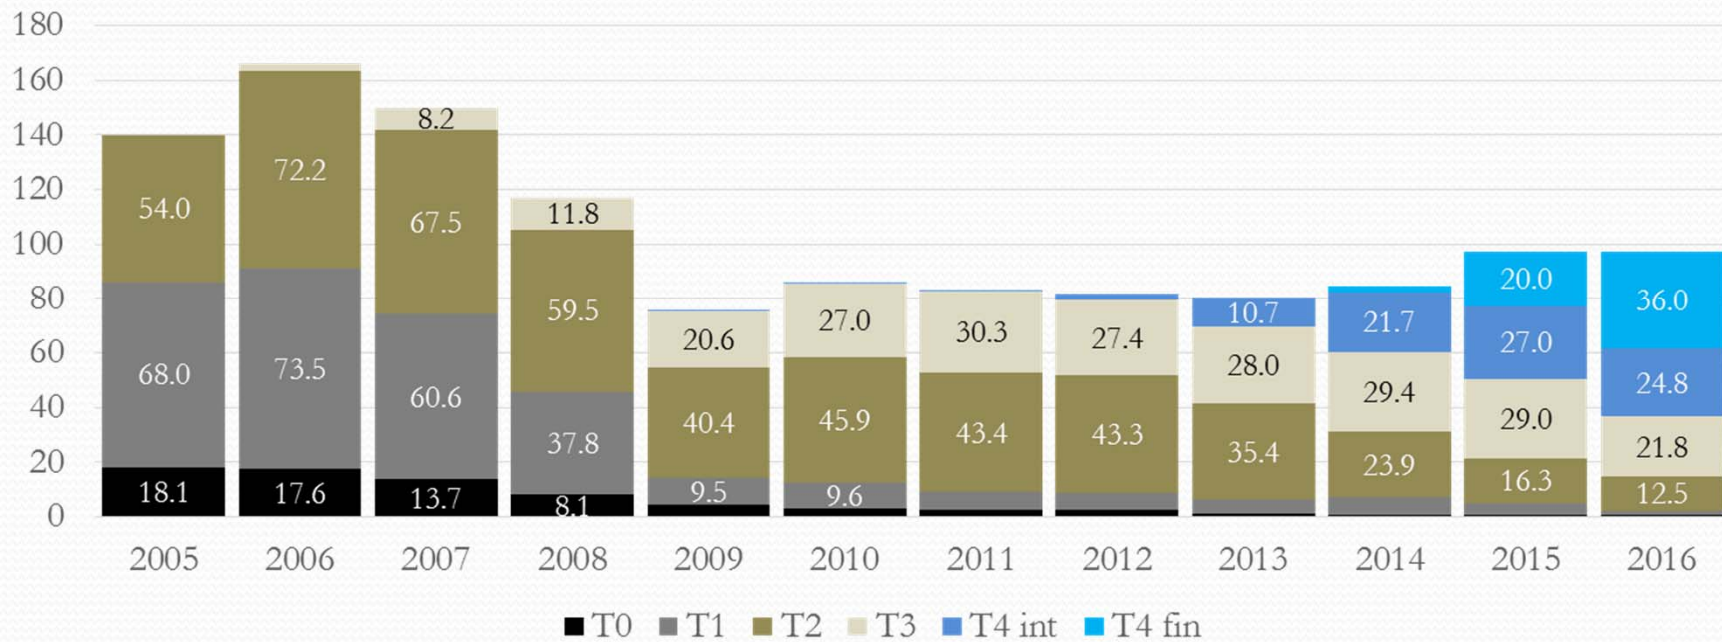

# POLA Source Category DPM Trends

■ Heavy-Duty Vehicles  
 ■ Locomotives  
 ■ Cargo Handling Equipment  
 ■ Harbor Craft  
 ■ Ocean-Going Vessels

# POLA Cargo Handling Equipment Activity

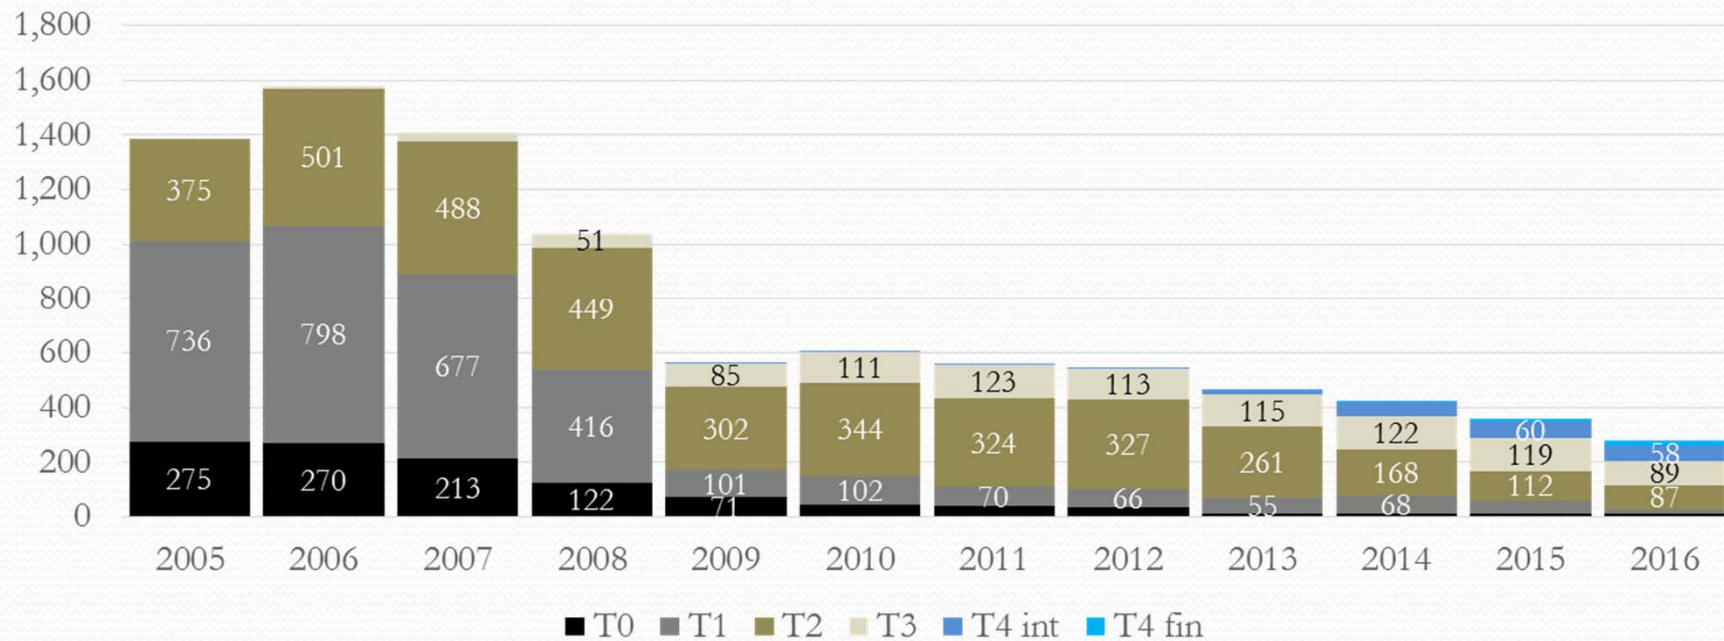

Nonroad Diesel CHE Energy Consumption by Tier, gWh

# POLA Cargo Handling Equipment Emissions

Nonroad Diesel CHE NO<sub>x</sub> Emissions by Tier, tons

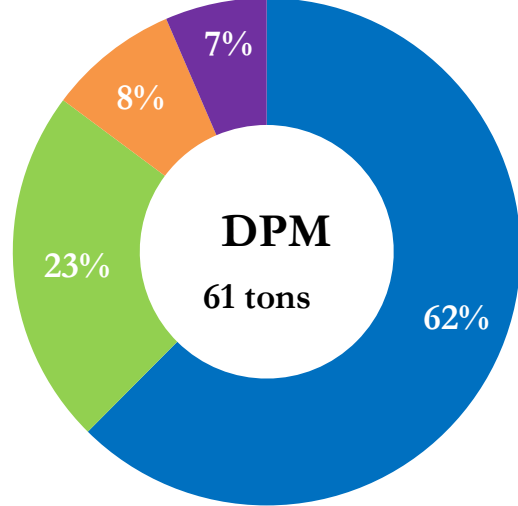

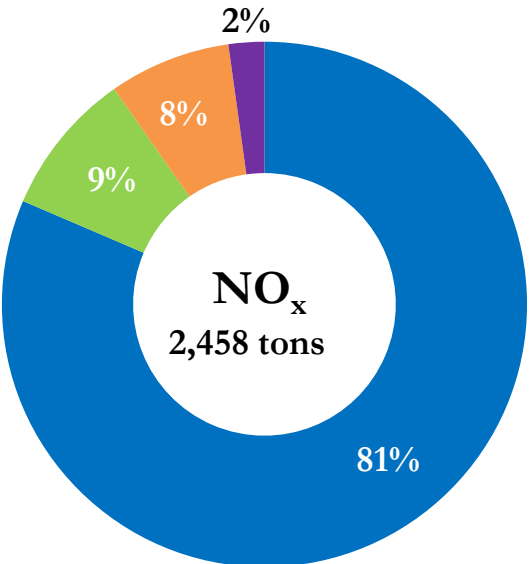

# Port Everglades Baseline EI

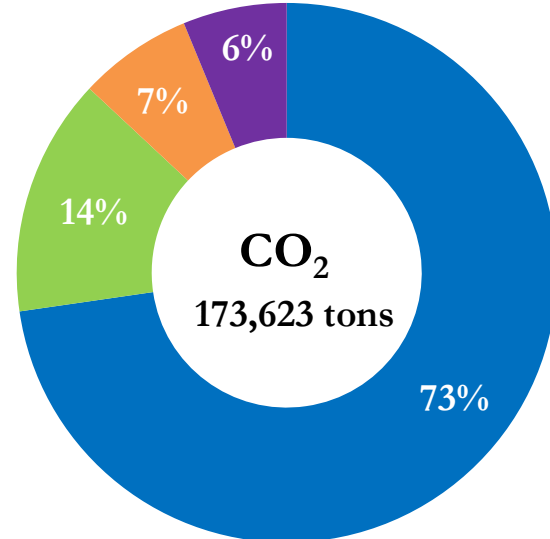

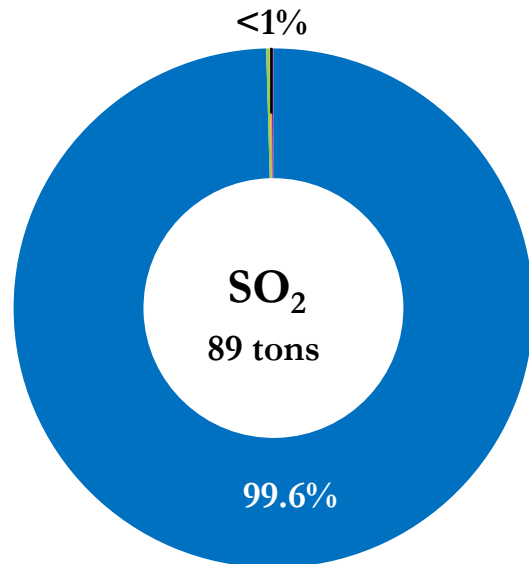

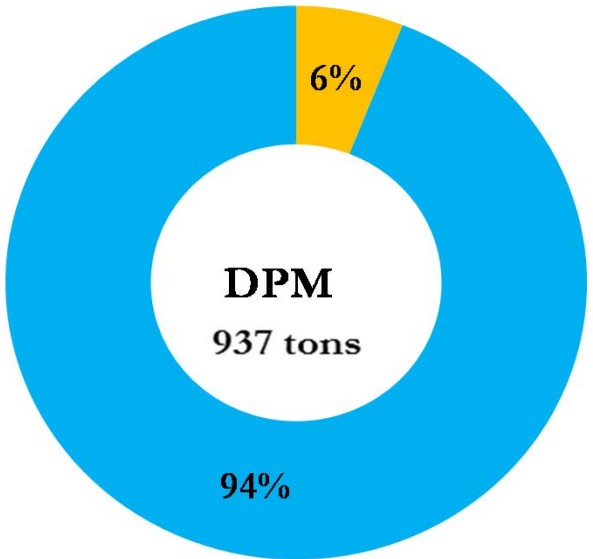

# Results

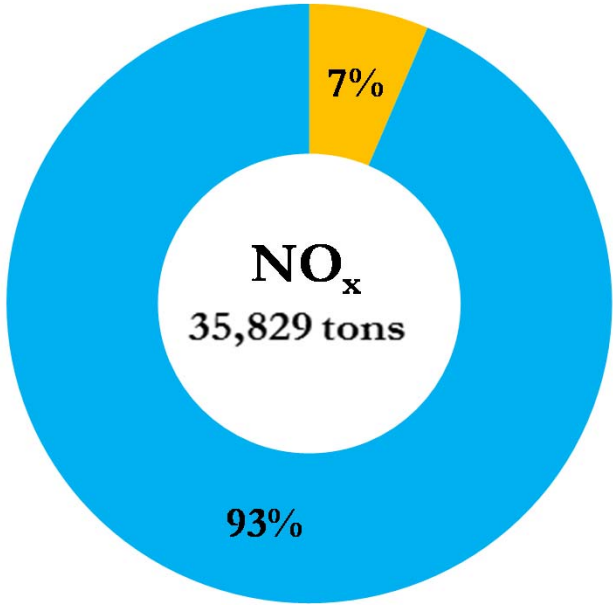

- Ocean-going vessels
- Cargo handling equipment
- Harbor craft
- On-road vehicles
- Locomotives

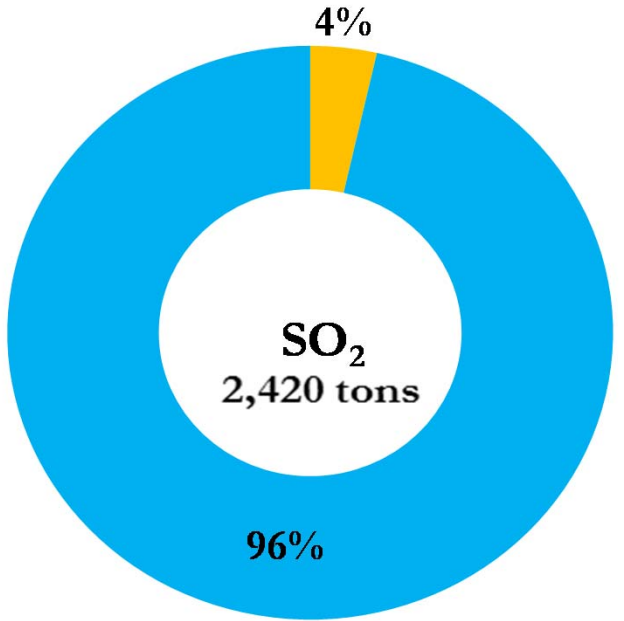

# Regional contributions

■ Port Everglades ■ Broward County

■ Port Everglades ■ Broward County

■ Port Everglades ■ Broward County
