We will be hearing from Esri about ArcGIS Online, it's purpose and value; and get an overview of ArcGIS Hub and ArcGIS Story Map.

[ArcGIS Hub](#) is an easy-to-configure community engagement platform that organizes people, data, and tools through information-driven initiatives.

[ArcGIS Story Maps](#) : Create inspiring, immersive stories by combining text, interactive maps, and other multimedia content. Publish and share your story with your organization or everyone around the world.
